Newsletter - March 2020

As all are aware of the current situation with regard to spread of Coronavirus worldwide, it is important for us at Dalmia Vidya Mandir schools across India to take all necessary precautions for the well-being and good health of all students.

However, to avoid academic loss of the students, the management, principals and teachers are taking some measures during this period with the help of advanced technology. The students will be kept engaged through online activities conducted by respective faculty members.

BRIDGING THE DIGITAL DIVIDE:

Plan for continuity of learning In the case of temporary school closures, support continued access to quality education HAS BEEN PUT IN PLACE.

This will include:

- Use of online/e-learning strategies.
- Assigning reading and exercises for home study.
- Radio, podcast or television broadcasts of academic content.
- Assigning teachers to conduct remote daily or weekly follow up with students.
- Review/develop accelerated education strategies.
- Implement targeted health education Integrate disease prevention and control in daily activities and lessons.

PUTTING BEST FOOT FORWARD:

- Keeping in view the COVID 19 Epidemic, all the Schools have been Sanitized and ULV treatment have also been done.
- Dalmia Vidya Mandir Schools started virtual classes for students of class XII with full technical support and instant guidance on any queries related to subject matter.
- Teachers at Dalmia Vidya Mandir Schools connecting online with students for e-learning.
