Tribute to our Visionaries...

Our sincere thanks to our valued Promoters and dedicated Leadership Team for their unwavering confidence and steadfast support. Their belief in our capabilities has been pivotal to our success, propelling us forward with resilience. We are grateful for their enduring commitment, which serves as the driving force behind our achievements.

-Dr. Rosetta Williams

2 Strategy and Design

At Dalmia Vidya Mandir Schools, our expansion initiative revolves around sustainability and holistic education. We prioritize creating environmentally friendly and energy-efficient schools to instill sustainable values in our students. STEM education is at the forefront, equipping our students with essential skills for the digital era. By expanding into rural areas, we extend quality education to underserved communities, bridging the urban-rural education gap and ensuring equal opportunities for all children. Additionally, we promote art, creativity, and sports to foster well-rounded development.

Moreover, inclusivity is paramount to us. We expand schools to cater to special needs students, investing in specialized infrastructure and trained staff to create a supportive learning environment for every child. Our focus on vocational and skill-based education prepares students for the workforce, providing hands-on training and exposure to real-world scenarios. By integrating digital technology into learning and celebrating multicultural diversity, we ensure our students are equipped with essential skills and cultural understanding. Lastly, our emphasis on early childhood education lays a strong foundation for lifelong learning, nurturing a love for learning from an early age. Through these diverse initiatives, we aspire to build a national brand synonymous with quality education and a brighter future for all students, contributing to the nation's progress and development.

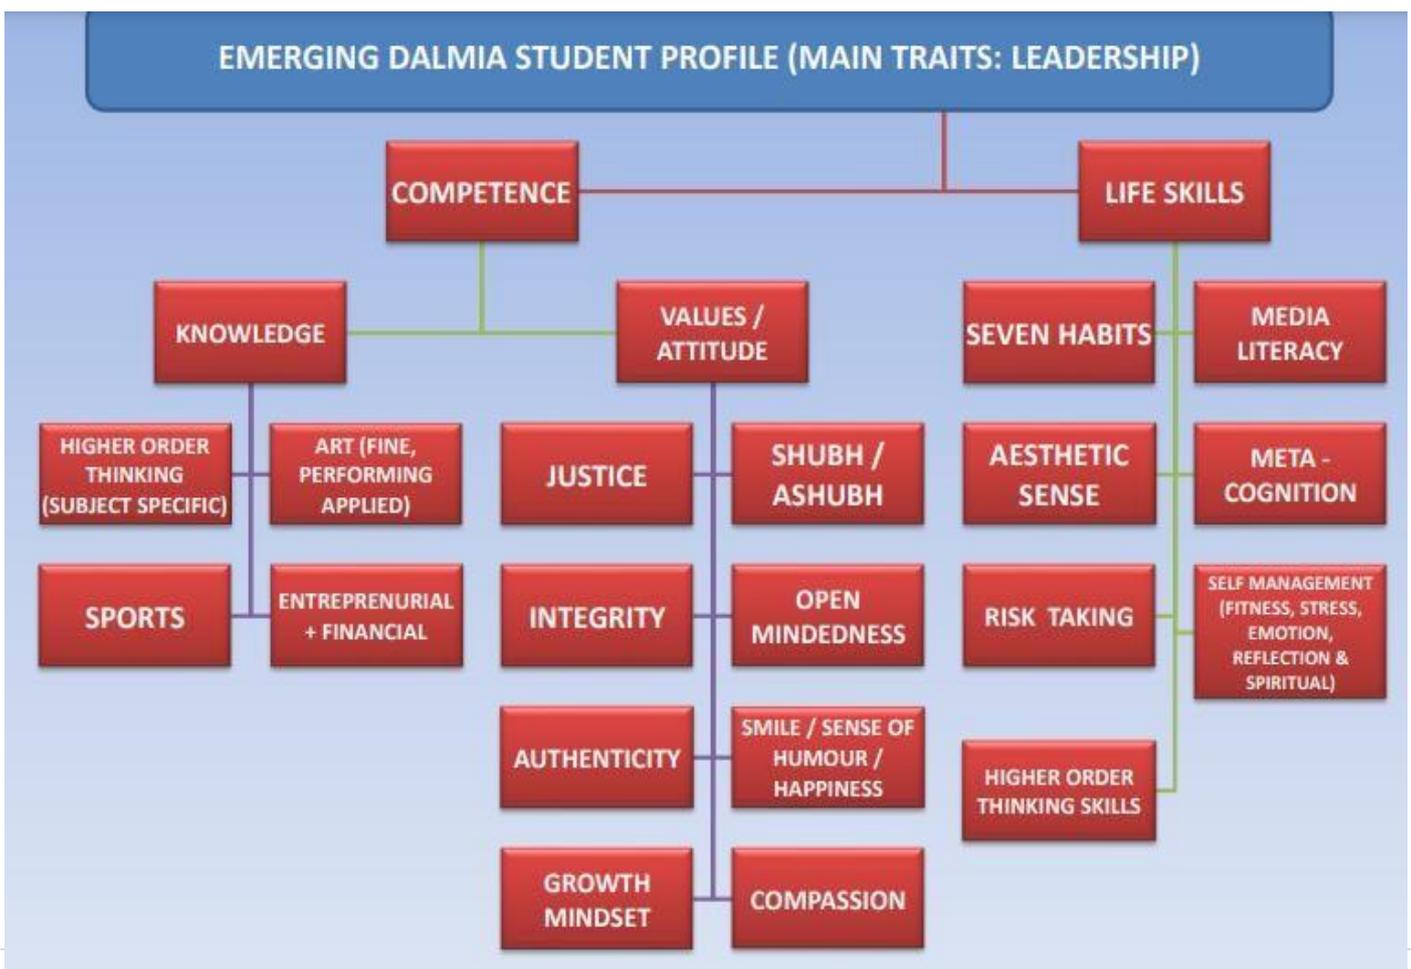

Jai Hind!

Dr. Rosetta Williams
Chief Education Officer.
Head- Education Vertical, Pan India.

3 School Governance

Dalmia Core Promises

The Dalmia Core Promises initiative stands as a visionary effort, meticulously crafted to infuse profound moral and ethical values into the very fabric of students' character. At its core, it endeavors to nurture the seeds of leadership, fostering a transformative journey towards a more expansive worldview and adept handling of life's challenges. This unique program goes beyond conventional education, offering a comprehensive curriculum focused on life skills development. Through tailored modules, students learn the art of prioritizing goals, cultivating self-reliance, and honing their creative intellect. The initiative serves as a beacon, guiding individuals towards a holistic and empowered existence, where integrity and ingenuity harmoniously shape their life's narrative. By instilling a strong foundation of values and life skills, the Dalmia Core Promises initiative equips students with the tools necessary to navigate the complexities of the modern world with confidence and resilience, ensuring they emerge as ethical leaders and responsible global citizens.

Students Activities and Achievements in the parameters of Dalmia Core Promises.

Budding Author (Higher order Thinking Skills)

Young aspiring authors reap numerous benefits from honing their creativity, language skills, and self-expression early in life. Writing not only nurtures critical thinking and empathy but also instills discipline, ultimately enhancing academic performance and personal growth. Publishing their work at a young age fosters confidence, leadership, and a lifelong love for literature. Moreover, it inspires others and leaves a lasting impact. At Dalmia Vidya Mandir, Rajgangpur, students, Ms. Ayushi Chattraj and Master Aryan Yadav have taken the initiative to self-publish their books, showcasing their talents and passion for storytelling on a wider platform

Super Talented Kid (Competence)

Aayansh Raj Das, a student of Dalmia Vidya Mandir (DVM) in Rajgangpur, received the Super Talented Kid title from the International Book of Records for exceptional achievements in recitation and spelling at the age of 3 years and 10 months.

Skill Tank 2023 (Entrepreneurship)

SKILL TANK 2023 provides a premier platform for young entrepreneurs in India, spanning from Class 5th to 12th. It offers participants the chance to showcase innovative ideas, receive mentorship, compete for prizes, and gain valuable experience. The event is carefully designed to support young entrepreneurs in advancing their ideas, pursuing their entrepreneurial aspirations, and thriving in the business world. Students from Dalmia Vidya Mandir enthusiastically took part in SKILL TANK 2023, with Master Piyush Goyal successfully qualifying up to the Zonal level. Their participation underscores their creativity and entrepreneurial drive on this esteemed platform.

Standard Operating Procedures Updated and Implemented at Schools 2023-24:

A Standard Operating Procedure (SOP) within Dalmia Vidya Mandir schools is an exhaustive document outlining instructions and directives for diverse operational facets. SOPs act as a compass for staff members, guaranteeing uniformity, productivity, and adherence to pre-established benchmarks. Encompassing an array of tasks, from day-to-day routines to crisis management strategies, SOPs are pivotal in optimizing processes, elevating standards, and upholding regulatory requisites. Crafted under the mentorship of esteemed leaders, these SOPs furnish a structured blueprint for the proficient discharge of roles and duties throughout the institution.

SAFAL (Structured Assessment for Analyzing Learning)

SAFAL (Structured Assessment for Analyzing Learning) stands as a competency-based assessment program initiated by the CBSE (Central Board of Secondary Education) for students in grades 3, 5, and 8. Its primary goal is to evaluate not only core concepts but also the application of knowledge and higher-order thinking skills, all in line with the objectives delineated in the National Education Policy (NEP) 2020. Our CBSE-affiliated schools, namely Dalmia Vidya Mandir in Rajgangpur, Chirawa, and Dalmiapuram, are adhering to the SAFAL guidelines and implementing them within the school premises. Dalmia Vidya Mandir, Rajnagpur presented as Pilot school for SAFAL in session 2023-24.

Here are the key points:

❑ Purpose:

- Motivate education towards competency-based learning.
- Measure school performance on key competencies.
- Identify areas of academic intervention for support and management.

❑ Key Features:

- Tests core concepts and discourages rote learning.
- Applicable to both government and private schools.
- School-level data sharing for development of learning outcomes.
- Data used for continuous improvement and support.

❑ Usage in Schools:

- Identify learning gaps and areas for improvement.
- Modify teaching methods based on assessment results.
- Provide targeted professional development for teachers.
- Allocate resources effectively based on identified needs.
- Engage stakeholders and incorporate findings into long-term planning.

❑ Role of Teachers and Principals:

- Familiarize parents and students with SAFAL features.
- Utilize progress cards to identify areas for improvement and support in the classroom.
- Engage constructively with parents using progress cards.

❑ Role of Parents:

- Understand their child's strengths and weaknesses.
- Collaborate with teachers to devise tailored strategies.
- Provide home support and monitor progress over time.

STEM (Science, Technology, Engineering, and Mathematics)

STEM stands for Science, Technology, Engineering, and Mathematics. It represents an interdisciplinary approach to learning and problem-solving that integrates concepts and principles from these four disciplines.

In Dalmia Vidya Mandir schools, STEM integration is an essential aspect of the curriculum. Students engage in hands-on activities, projects, and experiments that encompass science, technology, engineering, and mathematics concepts. Through cross-disciplinary projects and collaborative learning experiences, students develop critical thinking, problem-solving, and analytical skills while exploring real-world applications of STEM principles.

Teachers at Dalmia Vidya Mandir schools employ innovative teaching methods and incorporate digital tools to enhance the learning experience. They encourage students to explore STEM subjects beyond the classroom, fostering a curiosity-driven approach to learning. Moreover, Dalmia Vidya Mandir schools organize STEM-focused events, workshops, and competitions to further nurture students' interest and proficiency in STEM fields.

STEM integration takes different forms, such as:

- **Cross-disciplinary projects:** Teachers design projects that require students to use knowledge and skills from multiple STEM disciplines to solve complex problems or create innovative solutions.
- **Hands-on activities:** Incorporating hands-on experiments, building projects, and coding activities into lessons allows students to engage directly with STEM concepts and develop practical skills.
- **Collaborative learning:** Encouraging collaboration among students promotes teamwork and communication skills, which are essential in STEM fields. Group projects and discussions foster a supportive learning environment where students can learn from one another.
- **Technology integration:** Using digital tools, software, and online resources enhances the learning experience and provides students with access to cutting-edge technology used in STEM industries.
- **Real-world connections:** Connecting classroom learning to real-world applications helps students understand the relevance of STEM concepts and motivates them to pursue further study or careers in STEM fields.

By integrating STEM education into the curriculum, Dalmia Vidya Mandir schools prepare students to excel in an increasingly technology-driven world and inspire them to pursue careers in science, technology, engineering, and mathematics.

Students Activities and Achievements as per STEM

Science Exhibition at Dalmia Vidya Mandir, Schools

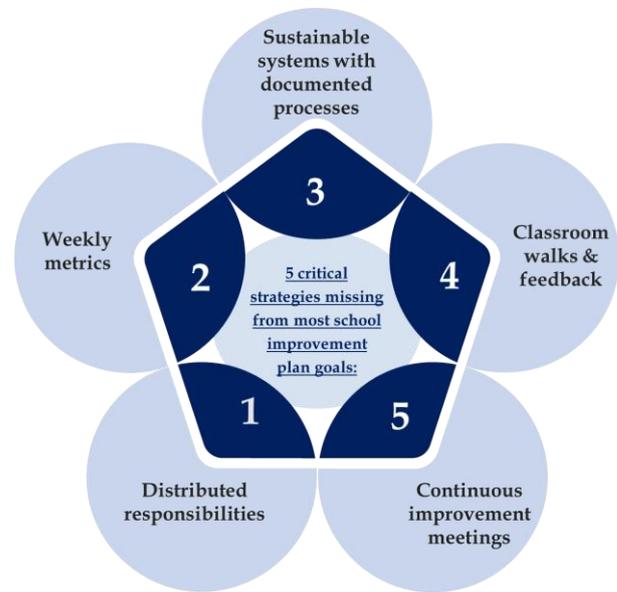

Science exhibitions in Dalmia Vidya Mandir Schools foster curiosity, critical thinking, and innovation among students. They provide a platform for showcasing creativity, scientific knowledge, and practical skills. Exhibitions encourage hands-on learning, collaboration, and communication, preparing students for real-world challenges. They also promote public engagement with science, inspiring future scientists and technologists.

Achievements

1. Somyakant Rout, a class 10 student at Dalmia Vidya Mandir, Rajgangpur, showcased exceptional aptitude and emerged as a top achiever in the CBSE Science Challenge 2023-24, bringing pride to our institution.
2. Master Ankan Saxena from Dalmia Vidya Mandir, Chirawa, actively participated in the Young Scientist Program (YUVIKA 2023) and attended a camp in Ahmedabad from May 13 to May 26, 2023, organized by ISRO.
3. Kathir Kumar, a grade X student at Dalmia Vidya Mandir in Dalmiapuram, emerged as the winner in Millet 2023 - an international event promoting millet use, organized by SRM University in Tiruchirappalli.

Academic Transformation

To elevate the quality of education, we meticulously crafted and implemented a comprehensive A+ School transformation plan across our educational institutions. This strategic initiative embraced multifaceted strategies, such as distributing responsibilities among team members rather than depending solely on leadership, implementing weekly metrics to monitor progress vigilantly, establishing sustainable systems with meticulously documented processes, conducting regular classroom inspections, and fostering continuous improvement through daily stand-up sessions led by our leadership. This holistic approach aimed to enhance educational standards systematically and collaboratively.

For Implementation:

- Teachers will provide a list of students and the percentages of their test scores to date.
- Academic improvement of 65 percent for each child is the target, regardless of the subject.
- To Do, Doing, and Done sheets that should be posted on each staff's action board.
- Everyone must take standup time each day and participate in the principal's rounds and enrollment.
- The Principal will assess the teachers' weekly reviews and documentation, and students who require remedial instruction will be allocated to classes.
- In an academic setting with documented evidence of improvement, teachers will discuss their students' progress in groups to the parents.

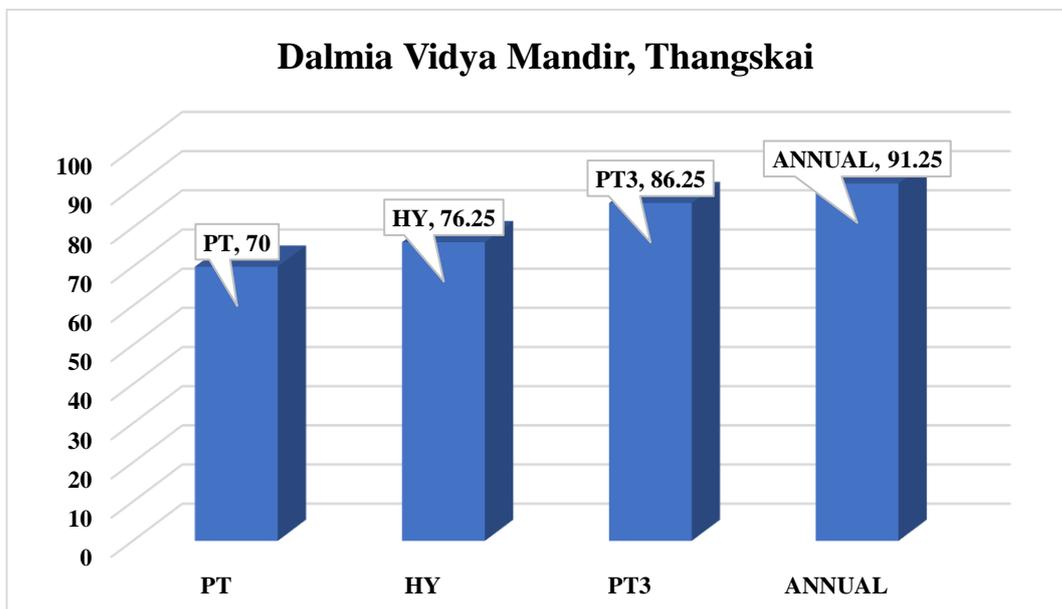

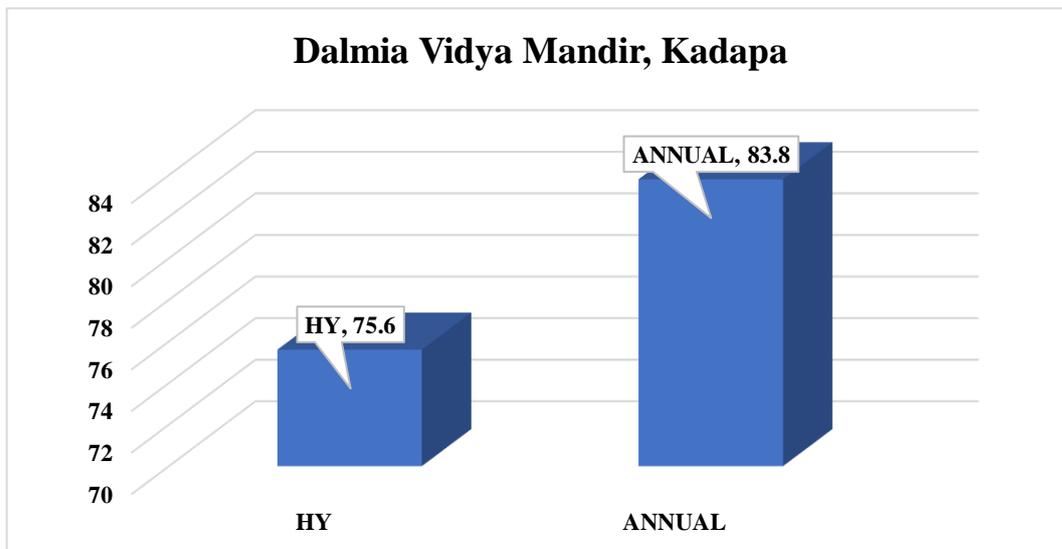

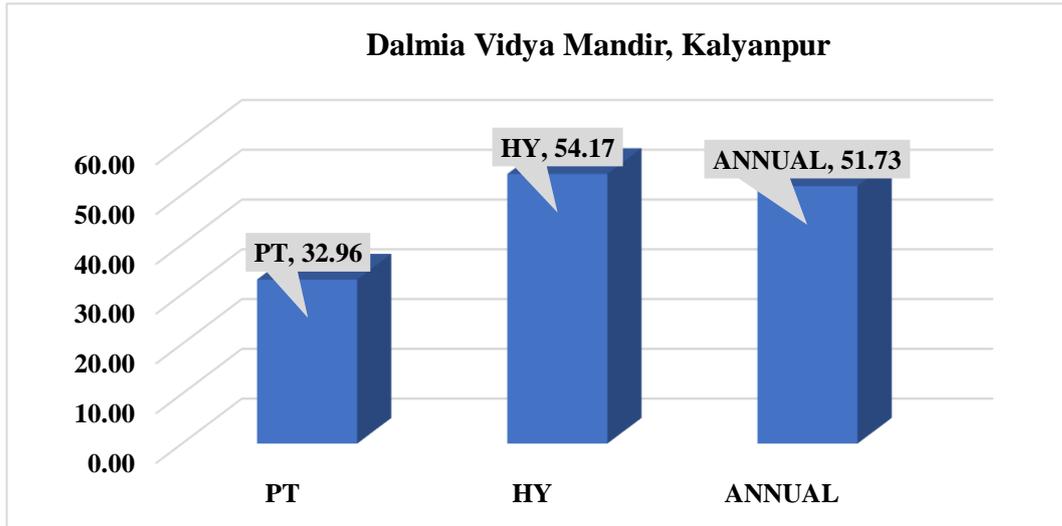

- So, what does it look like when a school fully commits to the five strategies described above?
- The improvement process becomes a system owned by everyone, not just a select few - and in the end, students have benefitted immensely.
- By embracing distributed responsibilities, weekly progress metrics, documented processes, regular leadership inspection, and daily feedback on goals for improvement, principals have empowered the entire school.

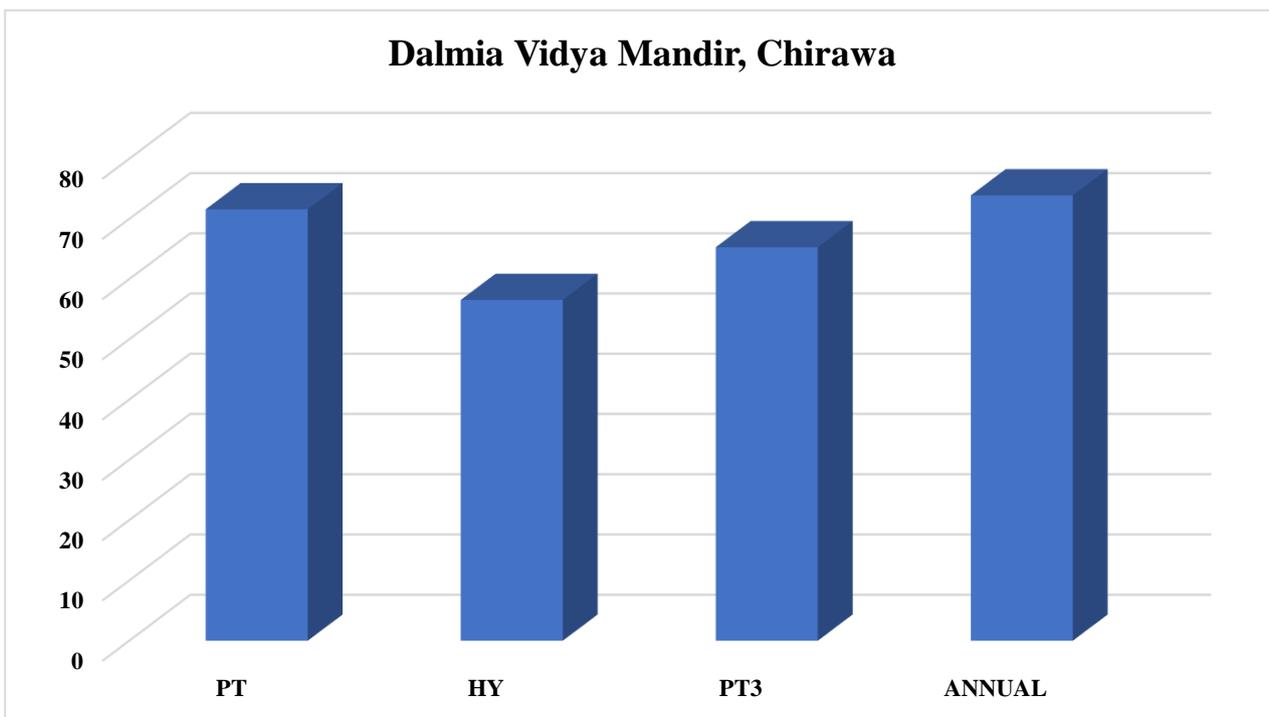

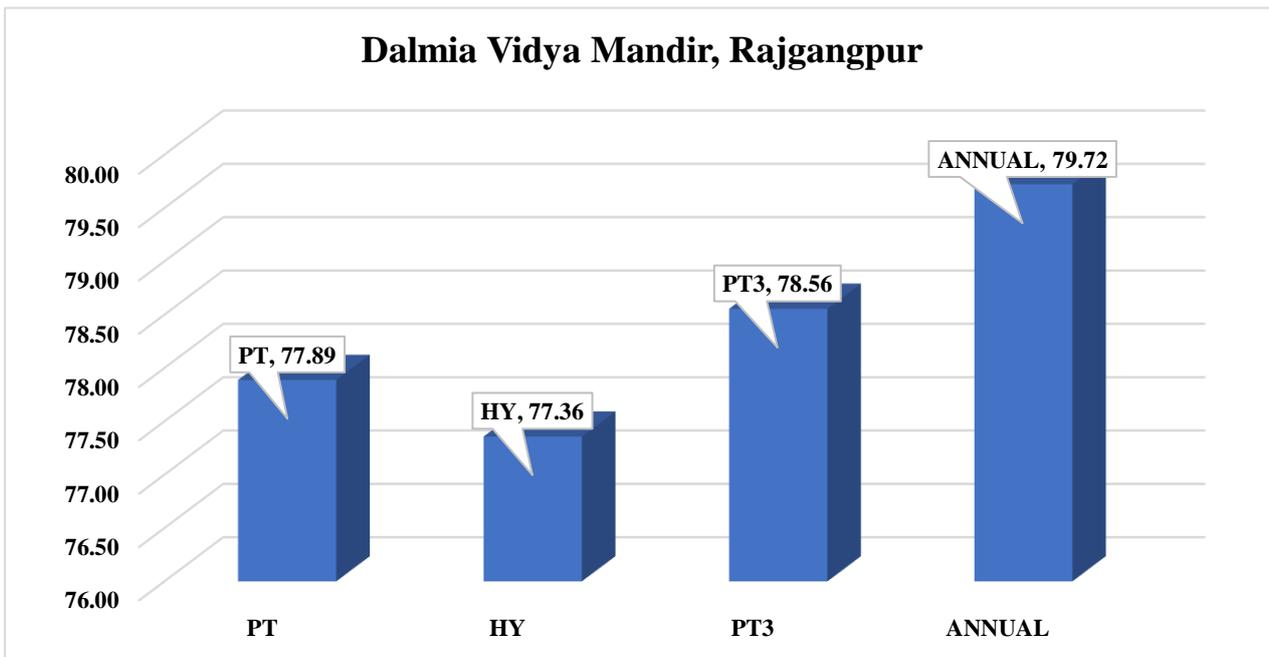

What results can you expect after using the 5 strategies?

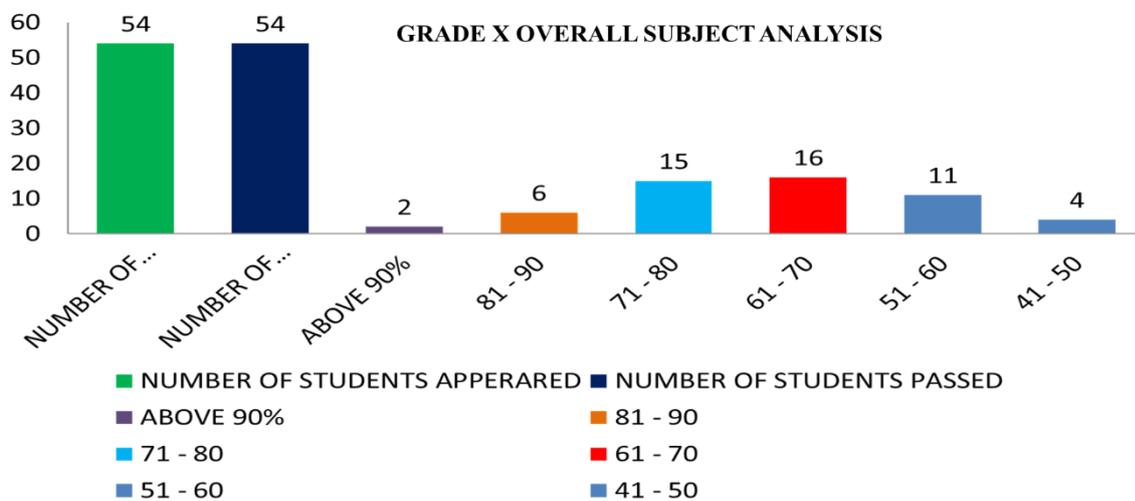

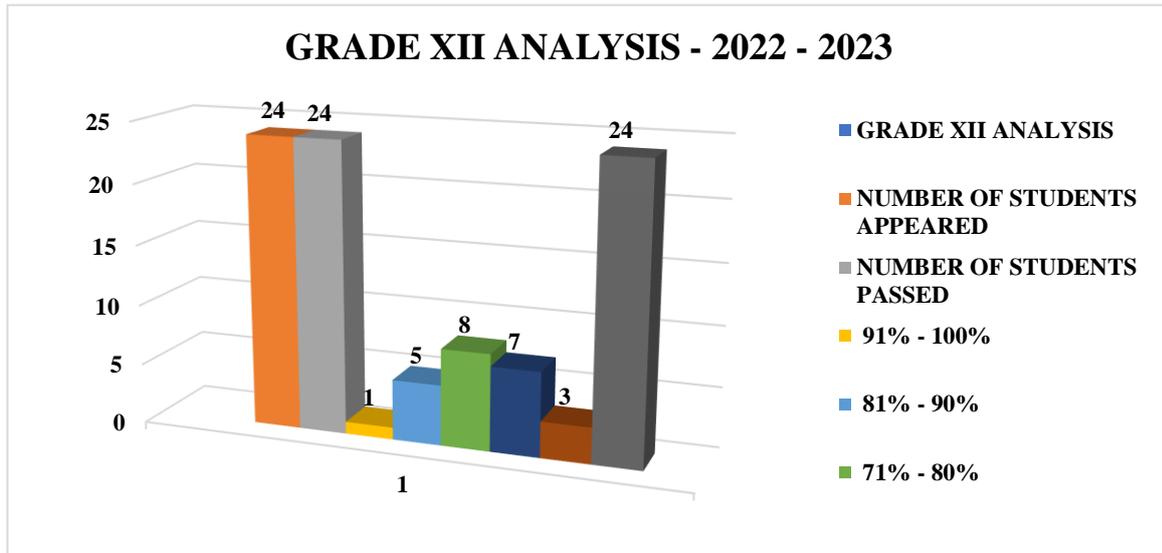

Result Analysis

School Wise Analysis

Dalmia Vidya Mandir, Dalmiapuram Analysis

Academic Achievements of Students

1. Somyakant Rout, a class 10 student at Dalmia Vidya Mandir, Rajgangpur, showcased exceptional aptitude and emerged as a top achiever in the CBSE Science Challenge 2023-24, bringing pride to our institution.
2. Master Nilesh Parhi from our school earned the title of "Top 10 Talents of the Year 2023" and received a Rs. 5000/- Scholarship on December 22, 2023, during the Annual Function day of Jay Prakash Hospital, Rourkela.
3. Dalmia Vidya Mandir, Rajgangpur, celebrates the outstanding performance of two students in JEE MAINS 2024. Karunamay Biswas scored 97.70, and Roshan Sahu achieved 90.34, setting a benchmark for academic excellence. Congratulations to both students, and best wishes for their future endeavors.
4. Master Barla Saatwik of Class IA from Dalmia Vidya Mandir, Rajgangpur, won the Champion Trophy for the state of Odisha at the 16th UCMAS Odisha Abacus & Mental Arithmetic Competition - 2023.
5. Master Hariom Gautam of Dalmia Vidya Mandir, Rajgangpur, set a new benchmark by scoring 700 in NEET UG 2023.
6. During the 2019-20 academic session, CBSE launched the Āryabhaṭa Ganit Challenge for classes VIII-X to integrate math with real-life scenarios, enhancing problem-solving, logical reasoning, and time management skills. Students from Dalmia Vidya Mandir joined, and qualifiers for the second round are Amay Charan Pahadi and Shaswat Panda from Class X, and Subhashree Samantaray from Class IX.
7. The National Space Innovation Challenge (NSIC) provides a platform for young students across India to delve into space science and innovation. Participants from Dalmia Vidya Mandir, Rajgangpur, included Akhil Agarwal from Class VIII, Shree Vidyamayee Pati from Class VIII, and Ashutosh Dash from Class IX, all of whom qualified for the challenge.
8. Students from Dalmia Vidya Mandir, Rajgangpur, who qualified for the Chartered Accountant Foundation 2024 are as follows:
 9. 1. Aditi Agrawal - Score: 277/400
 10. 2. Harsh Agrawal - Score: 212/400
 11. 3. Santanu Dash - Score: 216/400
12. Students from Dalmia Vidya Mandir, Rajgangpur, who have qualified for the Certified Management Accountant Foundation are as follows:
 13. Aditya Kumar Singh: Score - 334/400
 14. Vishesh Kumar Singh: Score - 246/400
15. Students from Dalmia Vidya Mandir, Rajgangpur, who have qualified for the Company Secretary Foundation examination include Kaushal Prasad, scoring 129 out of 200.

Olympiad Result of Dalmia Vidya Mandir, Rajgangpur

Green School Initiatives

Dalmia Vidya Mandir schools are deeply committed to advancing eco-friendly initiatives on their campuses, actively promoting environmental sustainability. Standout projects include Horticulture and Vertical Wall, Earthen Pot Cooler, and Solar Panels. Students actively participate in tree plantation and care, contributing significantly to the school's green environment. Notably, these initiatives garnered recognition, winning the 1st Prize with a cash prize of 4 lakhs at Dalmia Vidya Mandir, Rajgangpur, and securing the 5th position with a cash prize of 1.5 lakhs at Dalmia Vidya Mandir, Chirawa in 2020. Additionally, Dalmia Vidya Mandir, Dalmiapuram achieved a prestigious top 5 school position in 2023-24, earning a cash prize of 1.5 lakhs from the Indian Green Building Council (IGBC).

Staff Appraisal

Dalmia Vidya Mandir schools maintain unique standards for staff appraisal, prioritizing students' academic advancement. The evaluation encompasses various dimensions, including innovative strategies, technology integration, and alignment with Dalmia Schools' core promises. It evaluates daily lesson execution, academic calendar adherence, and activity planning effectiveness. Remedial classes and academic goal pursuit enrich the process, ensuring comprehensive assessments that consider both outcomes and contributions to overall development.

Daily Reporting

The School Reporting System, an in-house tool, meticulously tracks staff activities across all locations to ensure the smooth operation of educational processes. This comprehensive system enhances transparency, fosters efficient communication, and facilitates the seamless flow of information to support the institution's operations.

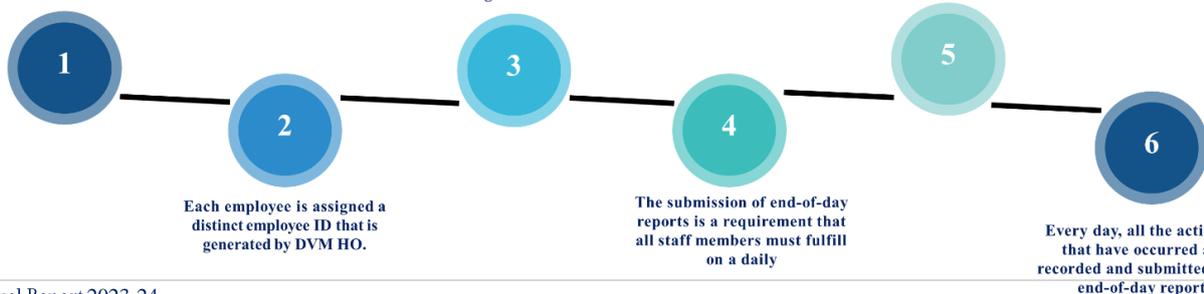

<https://forms.gle/Aq4kMxy8cuNscqDH9>

Entry in the end-of- day (EOD) form is exclusively accepted from the domain dalmiavidyamandir.education.

The maintenance of a work report on an hourly basis is being carried out.

If the End of Day (EOD) filling is not completed, it will be considered as a day of absence.

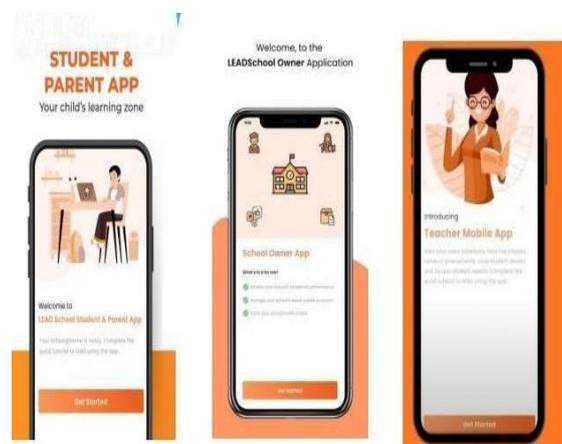

Enterprises Resource Planning (ERP)

Dalmia Vidya Mandir schools have seamlessly integrated the Entab ERP system across all aspects. This state-of-the-art web-based software streamlines data management processes, ensuring the efficient handling of various administrative tasks. Additionally, it enables the smooth execution of various operational functions. The portal provides comprehensive oversight of all schools by the head office through a master view, fostering seamless communication among stakeholders, encouraging collaboration, and enhancing operational efficiency. Ultimately, the adoption of this innovative technology significantly enhances the overall functioning of the schools.

DVM New Age learning system for Primary section.

In its dedication to delivering outstanding education, Dalmia Vidya Mandir has embraced innovation by introducing the Student Development System app. This pioneering initiative is set to revolutionize the educational landscape, offering students a modern and forward-thinking approach to learning. By incorporating cutting-edge technology and interactive methodologies, the Student Development System aims to enrich the academic journey, empowering students to thrive in a fast-changing world. Through personalized and adaptable learning strategies, Dalmia Vidya Mandir is committed to nurturing the potential of every student, ensuring they acquire the skills and knowledge needed for success in today's era. This app, designed for both students and parents, is carefully crafted to meet the educational standards outlined in NEP 2020, providing parents with day to day updates on their child's progress in classes.

Student Led Conference in schools

As part of the learning system for foundational-age students, primary schools organize student conferences to promote self-expression, confidence, and collaboration. These conferences empower students to share ideas, learn from their peers, and develop essential communication skills. By doing so, they lay a foundation for lifelong learning and encourage active participation within their communities.

DVM Alumni Platform

To address the generational gap, we've inaugurated an alumni program for Dalmia Vidya Mandir schools. This initiative brings together former students, providing them with a platform to impart valuable knowledge and experiences to the current generation. Our aim is to cultivate a meaningful connection, encouraging active engagement and mutual learning between both cohorts. The inaugural virtual alumni meet occurred on November 11, 2024, connecting alumni worldwide via a Zoom room. During the event, participants were acquainted with the ongoing initiatives undertaken by Dalmia Vidya Mandir schools.

DVM Virtual Alumni meet event

Dear **Alumni**,

Look who we found on the Dalmia Vidya Mandir, Chirawa's Alumni Network.

Deepa Choudhary graduated in 2020. She was an active participant in various activities both within and outside of the school. We are extremely proud of her achievements in both her personal and professional life!

WORK EXPERIENCE

- 2022 UX-UI Designer @ Dhandolat
- 2023 Research Intern @ IIT, Roorkee
- DAAD WISE Research Internship @ DKFZ German Cancer Research Center

There are many more alumni on the network. You can log in, explore and find your favourite junior/senior, guide our current students, network with each other and do a lot more.

Got something to share like Deepa?

We would love to show off your journey and achievements.

Alumni's Feedback – Rising Star Campaign

From: **Rajesh Pandey** <rajeshpandey18@gmail.com>
 Date: Fri, Mar 29, 2024 at 9:25 PM
 Subject: Re: Dalmia Vidya Mandir Alumni Deepa Choudhary is a Rising Star
 To: <alumnihelpdesk@univariety.com>

Great to hear about the success...

At the end rather mentioning Show off your journey, we can mention Celebrate your journey.

Very happy to see the initiative of Alumni promotion by the school....

Regards,

Dr. Rajesh Pandey

From SAHIL PERIWAL on 22nd Nov, 2018

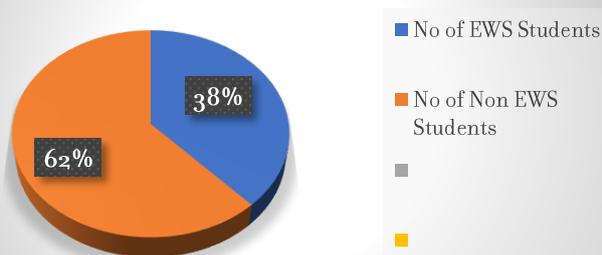

Hi Himanshu !! I'm doing good and hope you doing good too. It's really exciting to meet different people everyday. I have a few friends doing theatre and photography and by what they tell me its seems that the teaching is good. Cause they're more practical aspects and group assignments (presentations, videos and projects) which count for your final exams . GO FOR IT!! All the best and feel free to contact me for any queries. Cheers!!!

RTE Implementation in DVM Schools

Performance of EWS students in Scholastic and Co-Scholastic Areas

In the academic sessions of 2022-23 at Dalmia Vidya Mandir schools, a total of 328 students appeared for the 10th board examination, with 125 students hailing from the Economically Weaker Section (EWS) and 203 from the non-EWS category. Noteworthy achievements included one student receiving a zonal/cluster medal, 91 students attaining district medals, and 18 students earning state medals. Of particular significance, three EWS students were recognized with district-level medals. Moreover, within the EWS segment, 13 students were honored with medals at the zonal/cluster level, 5 at the state level, and 2 at the national level, showcasing their commendable academic performance during the academic year.

10th Board RTE students

4 Academics

Educational Planning for Academic Year 2023-24

Timetable implementation

The implementation of the schedule is conducted in accordance with the approval protocols established by the head office. This process entails a thorough monthly review of the timetable, which is formulated based on submissions from department heads. The head office meticulously collects, scrutinizes, verifies, and authorizes documents received from all teachers to ensure precise implementation across all locations. This meticulous approach guarantees consistency and uniformity in scheduling practices throughout the institution, aligning with the overarching organizational objectives and standards, thus contributing to the efficient management of resources and the optimization of operational processes.

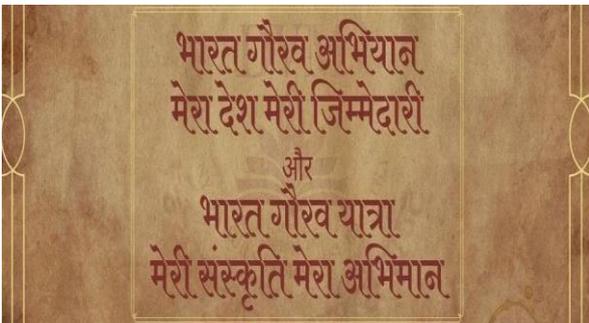

Curriculum/syllabus covered class-wise and subject-wise.

The curriculum/syllabus has been carefully devised to guarantee comprehensive coverage of all classes and subjects. This strategic approach is geared towards furnishing students with a well-rounded education that encompasses a broad spectrum of knowledge and skills essential for their holistic development. Through meticulous planning and alignment with educational standards, our curriculum aims to deliver a robust learning experience that prepares students to excel academically and thrive in the ever-evolving global landscape. By incorporating diverse perspectives and practical applications, we ensure that students are equipped with the necessary competencies to succeed in their academic pursuits and beyond.

Bharat Gaurav Yatra

Under the visionary guidance of our honourable leaders, Dalmia Vidya Mandir Schools proudly unveiled the "BHARAT GAURAV YATRA CURRICULUM." This meticulously crafted initiative is designed to cultivate a profound sense of patriotism and nationalism among both teachers and students. The launch event, a moment of great pride, witnessed the active participation of Dalmia Family members and stakeholders through a live session platform.

The curriculum encourages students to delve deeply into India's cultural, social, and historical heritage, fostering a deep appreciation for the sacrifices made by brave independence fighters. It encourages exploration of India's rich legacy and remarkable achievements across various fields. By exploring the ideologies of influential reformers, young minds are inspired. As responsible citizens, it is our duty to proudly embrace and celebrate our motherland.

It encompasses the following categories:

- Spiritual Heritage
 - National Emblem Significance
 - Indian Inventors and Scientists (Across All Subjects)
 - Indian Freedom Struggle (Movements, Fighters, Warriors)
 - Indian Social Reformers
 - Indian Heritage - Architecture, Art, Culture
 - Influential Figures from Indian States Throughout History
 - Indian Ancient Heritage
 - Prominent Figures in Indian History
- **The Bharat Gaurav Yatra curriculum is structured into four distinct levels:**
 - Pre-primary Level: Covers Nursery, LKG, UKG, Grade I, and Grade II.
 - Primary Level: Encompasses Grades III to V.
 - Middle School Level: Includes Grade VI to VIII.
 - Senior Level: Comprises Grades IX to XI.

PEDAGOGICAL APPROACHES TO BE IMPLEMENTED

Incorporation of various methodologies and pedagogies to enhance learning outcomes, including storytelling, group work, mind mapping, role plays, and group reflection activities.

Teachers Training

Teachers at Dalmia Vidya Mandir schools undergo regular training sessions facilitated by CBSE and other management-led initiatives, aimed at fostering their comprehensive development. Additionally, under the expert guidance of Dr. Rosetta Williams, CEO of Dalmia Vidya Mandir schools, an extensive training program is seamlessly integrated into the curriculum for all teachers. Mandated by school heads, each staff member participates in one-hour training sessions regularly, collectively striving for their holistic growth. These sessions cover diverse topics aligned with CBSE rules, teaching methodologies, and emerging educational trends, in line with the new trends of CBSE and NEP 2020. This initiative signifies a pivotal step towards educational transformation, ensuring educators are well-equipped to navigate the evolving educational landscape and prepare students for the challenges of an advanced future. To gauge effectiveness, feedback is collected from all teachers upon completion, reinforcing the commitment to continual improvement and success.

Training sessions attended by school staffs other than HO trainings.

School Quality Assessment and Assurance

India is resolutely committed to achieving the Sustainable Development Goals 2030, placing a dedicated emphasis on enhancing the quality of education. In the pursuit of global excellence, the Central Board of Secondary Education (CBSE) has introduced the 'School Quality Assessment and Assurance' (SQAA) framework. This comprehensive system is meticulously designed to efficiently monitor predetermined outcomes across all levels and facets of school education. Noteworthy for its ease of implementation, feasibility, transparency, objectivity, credibility, and acceptability, SQAA stands as a pivotal initiative in elevating educational standards nationwide. Dalmia Vidya Mandir schools actively undertake regular checks aligned with the CBSE's latest amendments, ensuring our schools stay updated. Monthly reports, encompassing comprehensive assessments across all parameters within the specified domains, are consistently submitted by all school heads. This proactive approach ensures our schools remain at the forefront of evolving educational practices.

DOMAINS

1. Academic Excellence:

- Quality of curriculum and its alignment with global standards.
- Effectiveness of teaching methods and learning outcomes.
- Performance in standardized assessments and examinations.

2. Infrastructure and Facilities:

- Adequacy and functionality of physical infrastructure.
- Availability of modern amenities and resources for students and teachers.
- Safety and security measures in place.

3. Educational Technology Integration:

- Utilization of technology in teaching and learning processes.
- Access to digital resources and online educational platforms.
- Innovation in leveraging technology for educational advancement.

4. Teacher Quality and Development:

- Qualifications, training, and professional development opportunities for teachers.
- Teaching methodologies and approaches to student engagement.
- Teacher-student ratio and overall faculty competence.

5. Student Well-being and Support:

- Measures for the overall well-being of students.
- Availability of counseling services and support systems.
- Inclusivity and support for students with diverse needs.

6. Community Engagement:

- Interaction and collaboration with parents and the local community.
- Outreach programs and community involvement initiatives.
- Feedback mechanisms for stakeholders.

7. Governance and Administration:

- Transparency and efficiency in administrative processes.
- Adherence to regulatory standards and policies.
- Leadership effectiveness and strategic planning.

8. Innovation and Research:

- Promotion of innovative teaching methods and approaches.
- Support for research activities within the school.
- Integration of new educational trends and practices.

These domains collectively contribute to a comprehensive assessment, ensuring a well-rounded evaluation of the school's quality and effectiveness in delivering education.

National Institute of Open Schooling

Dalmia Vidya Mandir has embarked on a noteworthy initiative to promote inclusive education through a collaboration with the National Institute of Open Schooling (NIOS). This strategic partnership entails establishing NIOS study centers within the premises of Dalmia Vidya Mandir schools. The primary goal is to extend educational opportunities to students who face challenges in attending regular schooling.

The establishment of NIOS study centers at Dalmia Vidya Mandir reflects a commitment to providing quality education to every child, irrespective of their circumstances. This initiative underscores the school's dedication to ensuring that education remains accessible and inclusive for all students.

Following schools are implementing NIOS centres

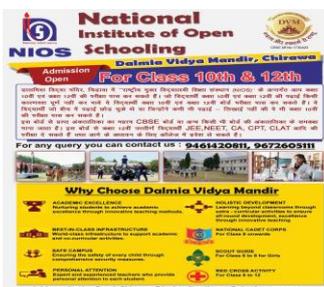

- ✓ Dalmia Vidya Mandir, Chirawa
- ✓ Dalmia Vidya Mandir, Dalmiapuram
- ✓ Dalmia Vidya Mandir, Rajgampur (Final process ongoing)

Pehli Roti Gau Ki

The initiation of Gau puja at Dalmia Vidya Mandir schools is a momentous event, symbolizing a traditional Hindu ritual that venerates the sacred status of cows. Under the guidance of our promoters, the "Pelhi Roti Gau Ki" initiative is ceremoniously practiced, reflecting the schools' commitment to social responsibility. Dedicated roti bins are strategically placed within the schools, facilitating the daily collection and donation of rotis to nearby gaushalas. This thoughtful initiative, deeply rooted in cultural reverence, not only upholds Hindu traditions but also exemplifies the schools' dedication to serving the community. It stands as a harmonious blend of cultural ethos and social commitment.

Lead to Transform (6th August to 8th August 2023)

Dalmia Vidya Mandir orchestrated a Principal Meet, titled "Lead to Transform 2023," at Dalmia Vidya Mandir, Dalmiapuram, spanning from August 7th to August 9th, 2023. The event commenced with a temple visit and a Gau Puja ceremony, creating an auspicious beginning. Over two days, a series of sessions unfolded, culminating in a highlight workshop on Dalmia Core Promises, expertly led by Dr. Rosetta Williams, CEO-DVM. The event concluded with a remarkable vote of thanks, symbolizing not just a gathering but a transformative experience for all participating principals. This meet fostered collaboration, learning, and a shared commitment to Dalmia Vidya Mandir's core principles.

Following members participated the event

- Mr. Jaydeb Kar- Principal DVM Rajgangpur
- Capt. B.N Pachauri- Principal DVM Chirawa
- Mr. Suryanarayan Mohanty - Vice Principal, DVM Rajgangpur
- Ms. Rekha Jadhav - Headmistress, DVM Kadapa
- Ms. Ila Mahapatra - Headmistress. DVM Rajgangpur
- Mrs. V Parivaathini - Vice Principal, DVM Dalmiapuram
- Mrs. R Revati - Headmistress. DVM Dalmiapuram
- Mr. Arularasan. DHSS Dalmiapuram
- Ms. Swapna Karve-Headmistress, DVM Thangskai
- Mr. Arun Kumar-Principal. DVM Kalyanpur

Special Invitees of the event

- K Vinayagamurthi-Unit Head, DCBL Dalmiapuram
- Ganapathiraman LV-Member Finance SWC.

Dalmia School Meet 2023, 24th October 2023 to 28th October 2023

The eagerly awaited Dalmia School Meet unfolded flawlessly from October 24th to October 28th, 2023. Hosted by Dalmia Public School Sutrapada, the event showcased diverse talents and performances from participating schools, culminating in the declaration of Dalmia Public School, Sutrapada, as the 2023 champion. On November 28th, an enlightening interactive session by Shriyut Raghu Hari Dalmia Ji added a memorable dimension for students and teachers alike. The event concluded with a grand prize distribution ceremony, underscoring not just competition but the celebration of skills, camaraderie, and shared accomplishments within the Dalmia school community.

Principal's Meet 2024, 8th February to 10th February 2024

The Dalmia Vidya Mandir Principal Meet 2024-25, held in New Delhi from February 8th to 10th, 2024, brought together principals from branches in Rajgangpur, Chirawa, and Dalmiapuram. Key discussions included the approval of the 2024-25 academic session and strategic planning for new initiatives. The Principals collaboratively endorsed plans for the academic year, ensuring alignment with institutional goals. The event fostered a shared vision, encouraging the implementation of innovative approaches and promoting a unified commitment to excellence.

Founder's Day, 11 December 2023

The Founder's Day celebration at Dalmia Vidya Mandir schools on December 11, 2023, honored Shri Jaidayal Ji Dalmia's birth anniversary. Events across schools included tree planting at DVM Rajnagpur, caring for cows at DVM Kadapa, and a sacred fire ritual at DVM Chirawa. Devotional singing at DVM Kalyanpur and Dalmiapuram fostered unity. A special assembly and cultural program showcased student talents. The celebration ended with cherished memories, highlighting DVM's heritage and values. It was a day of gratitude, unity, and pride in being part of the DVM family, honoring its visionary founder and reinforcing its principles.

Veer Bal Diwas, 26 December 2023

Dalmia Vidya Mandir paid a solemn tribute to the martyrdom of Sahibzada Zorawar Singh and Sahibzada Fateh Singh on December 26, 2023. The event commenced with a sacred lamp-lighting ceremony and heartfelt prayers. On this significant occasion, the school organized a range of activities such as poem recitation, speeches, skits, and a transformative play on the lives of the 'Chaar Sahibzade'. These activities aimed to raise awareness among students and others about the four beloved sons of Guru Gobind Singh Ji, who displayed immense bravery and made the ultimate sacrifice while standing against the tyranny of the Mughal Empire. The program also aimed to instill in the students the values of respecting their parents, staying true to their faith, and embodying courage. Parents were present to witness the program and expressed their deepest gratitude to the school for its pivotal role in shaping the character of their children with unwavering courage and wisdom.

New Addition @Dalmia Vidya Mandir, Kadapa, 9th May 2023

On the momentous Monday of May 9, 2023, Dalmia Vidya Mandir proudly inaugurated its latest school in the expansive locale of Kadapa, Andhra Pradesh. The ceremony, orchestrated under the visionary leadership of CEO Dr. Rosetta Williams, witnessed a collaborative effort from the Dalmia Group and the dedicated DVM team. The event garnered the attendance of a diverse audience, including staff, students, parents, and members of the media. This marks the initiation of another captivating chapter in the storied history of Dalmia Vidya Mandir Schools, renowned for their decades-long dedication to the holistic development of children with a distinct emphasis on leadership. At Dalmia Vidya Mandir Primary School in Kadapa, Andhra Pradesh, we extend a warm invitation to the forthcoming generations, inviting them to embark on a transformative educational journey with us.

Pratibhasthali Gyanodaya Vidyapeeth, Jabalpur.

On January 15th, 2024, CEO Dr. Rosetta Williams conducted a visit to Pratibhasthali Vidyapeeth to explore its exemplary educational practices and integrate them into our school systems. This visit highlighted a forward-thinking approach to education, inspired by the teachings of Vidyasagarji Maharaj. Pratibhasthali places a strong emphasis on empowering girls and shaping a brighter future for them, prioritizing educational impact over mere financial gains. The initiative is led by dedicated unmarried teachers and Brahmacharinis (Didis). The Chal Charkha center at Pratibhasthali serves as the school's core, providing an innovative training program for women. The insights gained from the visit include various initiatives that can be implemented in our schools, such as the introduction of Hastakala, incorporating value-based teaching at DVM Schools, initiating peer teaching programs, and more. This visit has enriched our understanding and provided valuable takeaways for enhancing the educational experience in our institutions.

Jay Jyoti School Rewa, Madhya Pradesh.

Dr. Rosetta Williams, CEO of Dalmia Vidya Mandir schools, began a significant journey on January 22, 2024, arriving at Jay Jyoti School in REWA, Madhya Pradesh as part of the takeover process. The visit symbolized the merging of two educational powerhouses, promising a future of endless possibilities. We believe that the combination of these institutions would revolutionize education vertical, introducing fresh ideas and perspectives to enrich the educational experience for all students. This collaboration would elevate the standard of education in all Dalmia Vidya Mandir schools, creating centers of academic excellence and holistic development.

6 AWARDS & RECOGNITION

CEO, Schools, Principals & Educators

Education Excellence - Empowering India Awards 2024.

Dalmia Vidya Mandir Schools won the RTE Implementation/School for Unprivileged category at the Education Excellence - Empowering India Awards 2024. Dr. Subhas Sarkar, Hon'ble Minister of State for Education, Govt. of India, presented the award at an event held in New Delhi on February 8, bestowing significant recognition upon the school for its unwavering dedication and excellence. The presence of distinguished individuals on stage including Dr. Mohammad Akhbar Siddiqui, Former Chairperson, NCTE, Mr. Mahaveer Singhvi, Joint Secretary Ministry of External Affairs, Ms. Anshu Rajput, MD, Arvius Media, Shri N.K. Ambasthi, Former Chairperson NIOS and Dalmia Vidya Mandir Schools CEO Dr. Rosetta Williams further underscored the importance and prestige of this achievement. Nationally the trophy was given to Dalmia Group of schools by the ministry, under the category of RTE implementation/school for unprivileged. In addition, Dalmia Vidya Mandir, Dalmiapuram has received jury award for the state of Tamil Nadu, while Dalmia Vidya Mandir Chirawa has been honored with the certificate of merit from the state of Rajasthan, Dalmia Vidya Mandir Thangskai has been recognized with the certificate of Appreciation from the state of Meghalaya. DVM Raigangpur Principal Jayash Kar and Dalmia Vidya Mandir Schools CEO Dr. Rosetta Williams expressed their gratitude to all teachers, parents and students. Notably, Dalmia Vidya Mandir at Raigangpur is one of the six schools that Dalmia Cement (Bharat) Limited has across the country. The headquarters of Dalmia Vidya Mandir is in New Delhi.

Education Excellence Award 2024.

The Education Excellence Award is a prestigious ceremony aimed at recognizing the top 20 leaders in the education industry nationwide. This award highlights the success story of Honorable CEO Dr. Rosetta Williams, who have made significant contributions to enhancing academic opportunities for students, enabling them to utilize their skills for the betterment of the nation.

The Education Excellence Awards serve as a definitive symbol of educational excellence, innovation, and commitment to the ongoing enhancement of the nation's educational infrastructure.

CEO, Schools, Principals & Educators

IGBC Top 5 Runner up, Dalmia Vidya Mandir, Dalmiapuram

Dalmia Vidya Mandir, Dalmiapuram secured a commendable position as one of the top 5 runners-up and was duly recognized for their achievement with a cash prize of 1.5 lakhs.

Best Teacher Award 2024

Ms. P Ramya, an educator at Dalmia Vidya Mandir, Dalmiapuram, was honored with the Best Teacher Award by Lead Curriculum at the Shiksha Awards 2024.

Judging at District level Dance Competition

Biren Kumar, a dance faculty member at Dalmia Vidya Mandir in Rajgangpur, was appointed as a judge for the district-level folk dance competition held at Rashtriya Government School in Rajgangpur. His expertise in the field of dance and his experience as a faculty member made him a suitable candidate for the role of a judge. Biren Kumar's participation in the competition ensured that the event was conducted in a fair and impartial manner, and his feedback and evaluation of the performances helped to encourage and motivate the participants. His contribution to the event was highly appreciated by the organizers and participants alike.

Guru Samman by Dainik Jagran

Mr. Kishor Kumar Samal, an educator at Dalmia Vidya Mandir in Rajgangpur, was recently honored with the prestigious. This accolade serves as a testament to his exceptional contributions in the field of education. Mr. Samal's unwavering dedication and remarkable achievements have garnered recognition and admiration from both his peers and the wider community. His commitment to nurturing young minds and fostering a conducive learning environment has undoubtedly made a profound impact on the lives of countless students. This well-deserved recognition further solidifies Mr. Samal's status as an exemplary educator and a true inspiration in the realm of education.

School and Students' Achievements.

Dalmia Vidya Mandir, Chirawa

9 What's New?

National Curriculum Framework (FE)

The National Curriculum Framework (NCF) for the Foundational Stage in India focuses on early childhood education for children aged three to eight. Emphasizing a child-centered approach, it promotes play-based learning and hands-on activities to nurture cognitive, social, emotional, and physical development. Inclusivity, equity, and diversity are paramount, ensuring access to all children, regardless of background. The curriculum integrates local culture and traditions, fostering pride in identity. Overall, the NCF for the Foundational Stage aims to provide a nurturing environment where children can thrive, laying the groundwork for lifelong learning and future success.

Domains	
CG-1	Children develop habits that keep them healthy and safe
CG-2	Children develop sharpness in sensorial perceptions
CG-3	Children develop a fit and flexible body Socio[1]Emotional and Ethical Development
CG-4	Children develop emotional intelligence, i.e., the ability to understand and manage their own emotions, and respond positively to social norms
CG-5	Children develop a positive attitude towards productive work and service or 'Seva'
CG-6	Children develop a positive regard for the natural environment around them Cognitive Development
CG-7	Children make sense of the world around through observation and logical thinking
CG-8	Children develop mathematical understanding and abilities to recognize the world through quantities, shapes, and measures Language and Literacy Development
CG-9	Children develop effective communication skills for day-to-day interactions in two languages
CG-10	Children develop fluency in reading and writing in Language 1
CG-11	Children begin to read and write in Language 2 Aesthetic and Cultural Development
CG-12	Children develop abilities and sensibilities in visual and performing arts and express their emotions through art in meaningful and joyful ways In addition to the above Curricular Goals based on the domains of development, developing Positive Learning Habits is another relevant Goal for the Foundational Stage.
CG-13	Children develop habits of learning that allow them to engage actively in formal learning environments like a school classroom.

National Curriculum Framework (SE)

The National Curriculum Framework (NCF) for Senior Education guides the curriculum for high school students. It emphasizes holistic learning, focusing on critical thinking, creativity, and practical skills. Learner-centered pedagogies are promoted, encouraging active engagement and inquiry-based learning. The framework integrates values, ethics, and social responsibility into the curriculum, nurturing well-rounded individuals prepared for societal contributions. Flexibility is prioritized to accommodate diverse learner needs and interests. Overall, the NCF for Senior Education ensures relevance, inclusivity, and alignment with personal, social, and academic development goals.

PART A: APPROACH

1. Aims and Curricular Areas of School Education
2. School Stages – Logic and Design
3. Approach to Learning Standards, Content, Pedagogy, and Assessment
4. Time Allocation

PART B: CROSS-CUTTING THEMES

1. Rootedness in India and Indian Knowledge Systems
2. Values and Dispositions
3. Learning about and Caring for the Environment
4. Inclusion in Schools
5. Guidance and Counselling in Schools
6. Educational Technology in Schools

PART E: CREATING A SUPPORTIVE ECOSYSTEM

1. Capacity Building for Implementation
2. Ensuring an Appropriate Environment for Learning
3. Enabling and Empowering Teachers
4. Community and Family Engagement

PART C: SCHOOL SUBJECTS

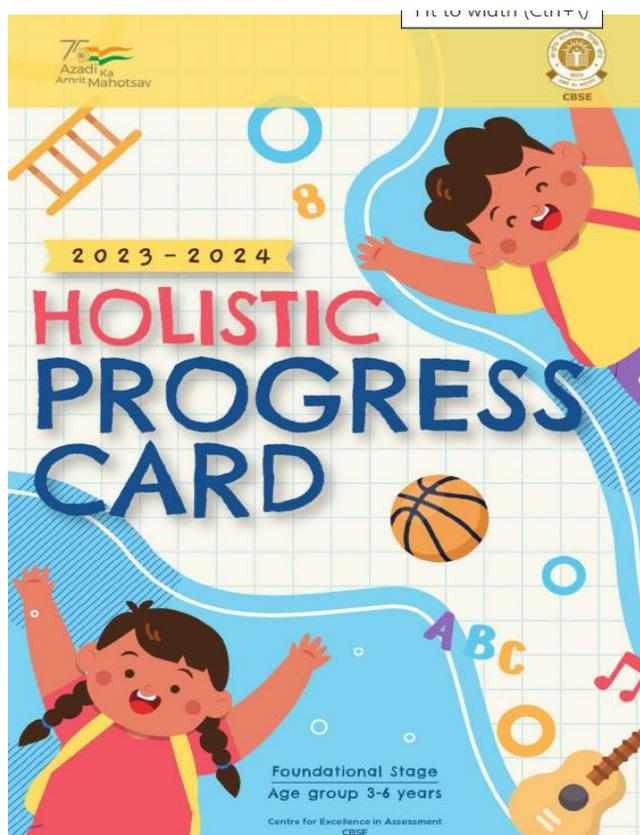

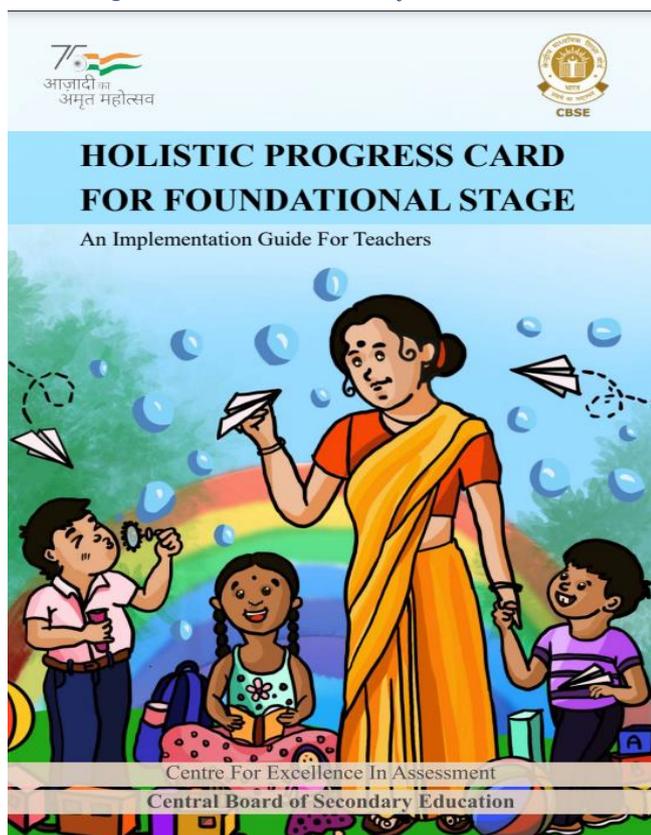

1. Learning in the Foundational Stage
2. Language Education
3. Mathematics Education
4. Science Education
5. Social Science Education
6. Art Education
7. Education in Interdisciplinary Areas
8. Physical Education and Well-being
9. Vocational Education
10. Subjects in Grades 11 and 12

PART D: SCHOOL CULTURE AND PROCESSES

1. School Culture
2. School Processes

Holistic Report

The Holistic Report Card for the a comprehensive assessment of students' overall development, encompassing academic performance, personal growth, and social-emotional well-being. It evaluates students across multiple dimensions, including academic achievement in various subjects, critical thinking skills, creativity, communication abilities, and collaboration skills. Additionally, the report card assesses students' character development, such as their resilience, responsibility, empathy, and ethical values. It also considers their participation in extracurricular activities, community service, and leadership roles. The Holistic Report Card aims to provide a holistic view of students' progress, highlighting their strengths, areas for improvement, and overall growth throughout the academic year.

For Foundational Stage

The Holistic Report Card for the Foundational Stage assesses children aged three to eight across cognitive, social, emotional, and physical domains. It evaluates language, numeracy, creativity, social interaction, and readiness for further learning. The report aids parents and educators in understanding children's development and supporting their holistic growth.

For Secondary Education

The Secondary Education Holistic Report Card evaluates students' overall development, including academic performance, critical thinking, creativity, communication skills, and social-emotional well-being. It considers extracurricular involvement, leadership, and contributions to the school community, providing a balanced assessment to support holistic growth and future success.

ICT School Education 2024-25 (School Education)

In July 2021, the CBSE unveiled the National Digital Education Architecture (NDEAR), representing a significant step towards leveraging the synergies between Artificial Intelligence (AI) and Information and Communication Technology (ICT) to fulfill the objectives outlined in India's National Education Policy (NEP) 2020. NDEAR aims to establish a unified national framework by integrating AI tools into the digital infrastructure, with the goal of enhancing educational outcomes for all students. Through the incorporation of AI-driven tools, educators are empowered to cater to diverse learning needs while fostering an ecosystem of digital contributors for the development and adoption of innovative solutions in school education. Guided by principles of accessibility, agency, and diversity, NDEAR ensures equitable access to AI-enabled technology, addressing the individual requirements of each learner, including those with disabilities. Ultimately, NDEAR embodies a transformative approach that integrates AI and ICT to cultivate a dynamic, inclusive, and effective educational ecosystem nationwide. At Dalmia Vidya Mandir schools, we are embracing NDEAR to drive educational innovation and
