

## PEHLI ROTI GAU KI AND GAU PUJA 2023-24

The initiation of Gau puja was a significant event that took place at Dalmia Vidya Mandir schools. The Gau puja is a traditional Hindu ritual that involves the worship of cows, which are considered sacred in Hinduism.

The initiative known as "Pelhi Roti Gau Ki" is ceremoniously followed at Dalmia Vidya Mandir, schools under the guidance of our promoters. Within the schools, dedicated roti bins have been thoughtfully installed to facilitate the collection and daily donation of rotis to nearby gaushalas.

This initiative serves as a testament to the schools' unwavering commitment to social responsibility and their dedication to serving the community.
