## *Introduction*

This annual report offers a comprehensive and narrative-driven overview of the activities, achievements, and progress of Dalmia Vidya Mandir Schools. It weaves together the core values, strategic initiatives, academic performance, developmental milestones, and diverse accomplishments that collectively define the rich tapestry of the educational experience within the Dalmia Vidya Mandir framework. Through this detailed account, we aim to provide stakeholders with a vivid and insightful understanding of the schools' unwavering commitment to fostering excellence in education and nurturing the holistic development of every student. The report not only highlights key events and data but also seeks to convey the spirit and ethos that permeate the Dalmia Vidya Mandir community. It's a story of growth, dedication, and a relentless pursuit of creating an environment where young minds can flourish and realize their full potential.

## *OUR VISIONARIES*

The story of Dalmia Vidya Mandir Schools is deeply intertwined with the profound vision and enduring legacy of its founder, Shriyut Shri Jaydayal Dalmia Ji. His extraordinary foresight and unwavering dedication to the transformative power of education continue to serve as the guiding light, illuminating the path for the schools' mission and core values. The spirit of his vision comes alive each year during significant celebrations, most notably on Founders' Day, a cherished event in the school calendar observed annually on December 11th. This day is not merely a date on the calendar; it's a vibrant tapestry of traditions and heartfelt tributes. The celebrations are characterized by a series of meaningful events designed to honour his contributions and inspire future generations. Floral tributes, offered with reverence and gratitude, symbolize the school community's deep respect for the founder. Soulful choir performances, resonating with harmony and emotion, reflect the students' profound connection to the founder's vision and the institution's rich heritage. School heads and esteemed dignitaries deliver inspiring addresses, weaving narratives of the founder's life and emphasizing the timeless relevance of the Dalmia Core Values, such as integrity, accountability, and perseverance. These values are not presented as abstract concepts but as fundamental principles that actively guide the daily life and interactions within the school community. Students and staff participate in a solemn pledge, reaffirming their commitment to upholding integrity, striving for excellence, and embracing responsibility in all their endeavors. This pledge serves as a powerful reminder of the institution's ethical commitment and its dedication to fostering a culture of character and purpose. These celebrations, therefore, transcend mere commemoration; they become a powerful catalyst for inspiring continued excellence, fostering a sense of unity, and reinforcing a deep-seated dedication to the core values upon which the Dalmia Vidya Mandir Schools were established.

## *CEO'S DESK...*

As we step into another remarkable year, it is with great pride and gratitude that I reflect on the journey of Dalmia Vidya Mandir Schools—a journey that has been shaped by our unwavering commitment to education, innovation, and nation-building. This year holds special significance as we prepare to celebrate 100 years of excellence in education on December 7, 2024.

Reaching a centennial is not just about looking back at our legacy but about reinforcing our mission for the future. Over the past century, Dalmia Vidya Mandir Schools has transformed countless lives by providing quality education, fostering holistic development, and equipping students with the skills needed for an evolving world. What began as a vision to empower young minds has grown into a national movement for education, driven by a deep sense of purpose and responsibility.

### *100 Years of Building a Stronger Future*

This milestone is a celebration of our collective achievements—the thousands of students who have passed through our classrooms, the dedicated educators who have shaped minds, and the communities we have uplifted. We take immense pride in being not just an educational institution but a force of change, ensuring that every child, regardless of their background, has access to a learning environment that nurtures curiosity, creativity, and ambition.

Our school expansion initiative has played a pivotal role in this mission, and this year, we have taken significant strides in multiple key areas:

- **Sustainability & Green Schools:** Education must go hand in hand with environmental consciousness. We have prioritized eco-friendly infrastructure, energy-efficient classrooms, and curriculum-driven sustainability initiatives that teach students to be responsible global citizens.
- **STEM Education:** The world is evolving at an unprecedented pace, and we are committed to preparing students for a future driven by science, technology, engineering, and mathematics (STEM). Our schools emphasize hands-on learning, critical thinking, and problem-solving, ensuring that students are ready for the digital age.
- **Bridging the Urban-Rural Education Divide:** Education should not be a privilege dictated by geography. Through our rural expansion efforts, we are providing children in remote areas with the same quality education and opportunities as their urban counterparts. This initiative helps bridge the educational gap and create equal pathways for success.
- **Holistic Learning Approach:** Academic excellence is essential, but a well-rounded education goes beyond textbooks. Our focus on art, creativity, and sports ensures that students develop self-expression, resilience, and teamwork skills that are crucial in today's world.
- **Inclusive Education for Special Needs Students:** Every child deserves a learning environment where they can thrive. We have made significant investments in special education, ensuring that our schools cater to students with different learning needs through specialized infrastructure, trained educators, and tailored teaching methodologies.
- **Vocational & Skill-Based Learning:** In an era where practical skills matter as much as academic knowledge, we are committed to bridging the gap between education and employability. Our vocational training programs equip students with hands-on experience, industry exposure, and real-world problem-solving skills, preparing them for the workforce with confidence.

- **Digital Transformation in Education:** Technology is redefining learning, and we are at the forefront of this transformation. Our schools integrate smart classrooms, AI-driven learning tools, and digital curriculum enhancements to provide students with a tech-savvy, future-ready education.
- **Multilingual & Cultural Diversity Focus:** In a country as diverse as India, education should celebrate different cultures and languages. We promote multilingual education and cultural inclusivity, fostering an environment where students gain a global perspective while staying rooted in their heritage.
- **Strengthening Early Childhood Education:** The foundation for lifelong learning is built in early childhood. Our initiatives focus on stimulating young minds through interactive learning methods, ensuring that children develop a love for learning from the very beginning.

### ***The Road Ahead: A Legacy of Impact***

As we celebrate this monumental milestone, we recognize that our journey is far from over. The next 100 years must be about accelerating impact, pushing the boundaries of educational excellence, and embracing innovation to empower future generations.

At Dalmia Vidya Mandir Schools, we believe that education is not just about acquiring knowledge—it is about transforming lives. We remain committed to shaping young minds into leaders, thinkers, innovators, and change-makers who will drive progress in India and beyond.

This journey would not have been possible without the unwavering support of our students, parents, educators, promoters, and leadership team. Your dedication and trust in our mission have been the driving force behind our growth and success. As we celebrate 100 years of impact, learning, and progress, I extend my deepest gratitude to each one of you.

Let us step forward together, inspired by our past and motivated for the future. Here's to a new century of excellence in education!

Jai Hind !

Dalmia Vidya Mandir, Pan India.

# Our Goals and Key Pillars

- We have embarked on a mission to revitalize, renew, and standardize all aspects of school education, ensuring comprehensive progress.
- Our values, deeply rooted in Indian traditions, enrich the lifelong learning journey.
- We are dedicated to achieving self-sufficiency for Dalmia Vidya Mandir Schools.
- Our goal is to elevate Dalmia Vidya Mandir Schools to a benchmark of excellence.
- We are committed to standardizing schools to meet quality and curriculum standards.
- We are digitizing every facet of the school environment, while also equipping faculty and students with AI knowledge to prepare them for future advancements.

# School Governance

School governance establishes the framework for how schools operate, ensuring they function effectively and ethically. It's the system of policies, practices, and processes that guide a school's direction, management, and accountability. A well-defined governance structure is crucial for creating a positive and productive learning environment. It involves the distribution of responsibilities and decision-making authority among various stakeholders, including the school board, administrators, teachers, parents, and even students. Effective school governance ensures that resources are allocated efficiently, the curriculum is implemented effectively, and student outcomes are continuously improved. It also plays a vital role in fostering a culture of transparency, trust, and collaboration within the school community.

Good school governance promotes a shared vision and clear goals, ensuring that everyone is working towards the same objectives. It provides a structure for addressing challenges, resolving conflicts, and making strategic decisions that impact the entire school. This includes setting policies related to student conduct, teacher performance, and community engagement. Furthermore, it involves establishing mechanisms for monitoring and evaluating the school's progress, ensuring that it remains accountable to its stakeholders. Ultimately, the quality of school governance has a direct impact on the success of students, the morale of staff, and the overall reputation of the school within the community.

# Dalmia Core Promises & DVM Quiz

## Dalmia Core Promises: Shaping Ethical Leaders & Lifelong Learners

At Dalmia Vidya Mandir Schools, education is not just about academic excellence—it is about building character, instilling values, and preparing future leaders. The Dalmia Core Promises initiative is a transformative program designed to embed strong moral and ethical values into every student's learning journey.

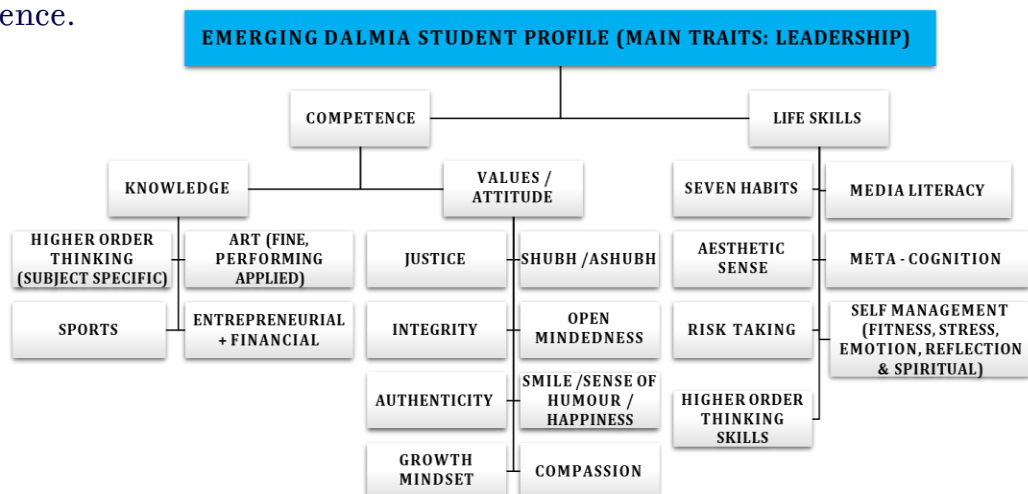

This initiative goes beyond conventional academics, equipping students with essential life skills, leadership qualities, and a deep sense of responsibility. It is a structured approach to empower young minds with integrity, self-reliance, and innovative thinking, ensuring they are well-prepared for the challenges of the modern world.

### Key Pillars of Dalmia Core Promises

The Dalmia Core Promises initiative nurtures students through:

- **Ethical Leadership & Integrity:** Encouraging students to lead with honesty, fairness, and responsibility in all aspects of life.
- **Goal Setting & Self-Reliance:** Teaching the importance of prioritizing objectives, managing time effectively, and taking ownership of their future.
- **Creative Thinking & Problem-Solving:** Encouraging critical thinking and innovation to address real-world challenges.
- **Resilience & Adaptability:** Preparing students to navigate challenges with confidence, courage, and a growth mindset.

By integrating these values into education, Dalmia Core Promises ensures that students graduate not just as scholars, but as responsible global citizens ready to make a difference.

## **DVM Quiz: A Celebration of Leadership & Values**

A unique initiative under Dalmia Core Promises, the DVM Quiz is a special competition designed exclusively for school heads and their teams. This prestigious knowledge-based contest tests participants on their understanding, application, and leadership in upholding the Dalmia Core Promises.

The DVM Quiz serves as a platform for school leaders to:

- Deepen Their Understanding of Core Values through engaging and thought-provoking questions centered around the Dalmia Core Promises initiative.
- Demonstrate Leadership & Strategic Thinking by applying ethical principles and real-world decision-making scenarios.
- Foster Collaboration & Teamwork among school leadership teams, strengthening their ability to lead by example.

### **DVM Quiz 2024-25: Journey & Winners**

The DVM Quiz 2024-25 was conducted in multiple rounds, showcasing the intellect, leadership, and teamwork of participating school heads and their teams. The competition unfolded as follows:

- First Round: October 26, 2024
- Second Round: November 23, 2024
- Third Round: December 21, 2024
- Final Round: February 1, 2025

After intense rounds of competition, DVM Rajgangpur emerged as the overall winner, demonstrating exceptional knowledge, leadership acumen, and strategic thinking.

Their victory stands as a testament to the impact of Dalmia Core Promises in shaping visionary leaders. Building a Future Rooted in Ethics & Excellence, As we continue to evolve and expand our educational footprint, initiatives like

Dalmia Core Promises and the DVM Quiz play a pivotal role in shaping a values-driven, leadership-focused learning environment. By equipping both students and school leaders with the tools to lead with wisdom, character, and purpose, we are laying the foundation for a brighter, more ethical future.

At Dalmia Vidya Mandir Schools, we don't just educate—we inspire, we empower, and we lead with values.

# Standard Operating Procedures Updated and Implemented at Schools 2024-25:

At Dalmia Vidya Mandir Schools, consistency, efficiency, and excellence are the cornerstones of our operational framework. To uphold these principles, we have meticulously designed Standard Operating Procedures (SOPs)—comprehensive guidelines that streamline all aspects of school operations.

## A Blueprint for Excellence

SOPs serve as an indispensable guide for staff members, ensuring that daily activities, administrative processes, and emergency protocols are executed with precision and uniformity. They provide a structured approach to:

- **Enhance Operational Efficiency:** By defining step-by-step procedures, SOPs eliminate ambiguity and promote seamless workflow management.
- **Maintain High Standards:** Consistent implementation of SOPs guarantees that best practices are followed across all Dalmia Vidya Mandir schools, reinforcing our commitment to quality education and administration.
- **Ensure Compliance & Safety:** SOPs align with regulatory guidelines and institutional policies, ensuring that all processes meet legal, ethical, and safety requirements.
- **Empower Staff with Clarity & Direction:** With well-defined roles and responsibilities, SOPs equip teachers, administrators, and support staff with the necessary knowledge to perform their duties effectively.
- **Strengthen Crisis Management Protocols:** Whether handling emergency situations, student well-being concerns, or unforeseen disruptions, SOPs provide clear directives for swift and effective response.

## A Dynamic & Evolving Framework

Our SOPs are not static documents—they are continuously refined and updated under the mentorship of esteemed leaders to adapt to evolving educational landscapes, technological advancements, and emerging challenges. This proactive approach ensures that Dalmia Vidya Mandir Schools remain at the forefront of operational excellence.

By embedding SOP-driven discipline across all functional areas, we optimize processes, enhance accountability, and cultivate a structured yet dynamic educational environment. Ultimately, these guidelines are the backbone of our institutional integrity, fostering a culture of efficiency, safety, and excellence in everything we do.

At Dalmia Vidya Mandir Schools, SOPs are more than procedures—they are a commitment to operational brilliance, ensuring every stakeholder thrives in a well-organized and forward-thinking ecosystem.

### **List of SOPs:**

# Self Defense training at Dalmia Vidya Mandir, Schools

## Empowering Students Through Self-Defense and Physical Training

At Dalmia Vidya Mandir, we are committed to nurturing well-rounded individuals by instilling confidence, resilience, and awareness in our students. As part of our holistic approach to education, we emphasize self-defense training and physical empowerment, ensuring our students are prepared to face challenges both inside and outside the classroom.

Our structured programs, including NCC training, Girl Scouts, Karate, Silambam, and personal safety education, equip students with essential skills that promote physical fitness, discipline, and self-reliance.

## NCC Training at Dalmia Vidya Mandir, Chirawa & Rajgangpur

The National Cadet Corps (NCC) training at Dalmia Vidya Mandir, Chirawa, and Rajgangpur plays a crucial role in instilling discipline, leadership, and self-defense skills. Through rigorous training sessions, students engage in:

- Physical fitness drills to enhance endurance and strength.
- Unarmed combat techniques for self-protection.
- Leadership exercises to build confidence and strategic thinking.

By participating in NCC, students develop the ability to protect themselves and others while fostering a sense of civic responsibility. This training empowers them to face any situation with courage and resilience.

### **Girl Scouts Leadership at Dalmia Vidya Mandir, Chirawa**

At Dalmia Vidya Mandir, Chirawa, our Girl Scouts actively lead self-defense and safety initiatives, empowering young girls to develop crucial life skills. Their training includes:

- Situational awareness techniques for early danger detection.
- Physical self-defense maneuvers to enhance personal safety.
- Leadership development to mentor peers and spread awareness.

Through their initiatives, Girl Scouts not only strengthen their own confidence but also inspire others to take charge of their safety, fostering a culture of empowerment within the school community.

### **Karate & Silambam Training at Dalmia Vidya Mandir, Dalmiapuram**

At Dalmia Vidya Mandir, Dalmiapuram, students receive professional Karate and Silambam training, enriching their sports curriculum with self-defense techniques.

- Karate – A globally recognized martial art focusing on self-discipline, striking techniques, and mental resilience.
- Silambam – A traditional Indian martial art using sticks and weapons, improving agility, coordination, and reflexes.

By integrating these disciplines into our sports education, students not only build physical strength but also develop the confidence to defend themselves.

### **Personal Safety Awareness at Dalmia Vidya Mandir, Thanskai & Kadapa**

Ensuring personal safety education from an early age, Dalmia Vidya Mandir, Thanskai, and Kadapa focus on:

- Recognizing good touch vs. bad touch – Educating students on body safety and personal boundaries.
- Strength-building activities – Enhancing physical agility and self-assurance.
- Confidence-boosting exercises – Encouraging students to speak up and seek help when needed.

This proactive approach ensures that students are empowered to protect themselves, make informed decisions, and navigate the world with awareness and confidence.

## Achievements

- Ttanmmay Rishu Kokcha, a Class VI student (A) at Dalmia Vidya Mandir, Chirawa, achieved a remarkable feat by winning a gold medal in the National Adventure Sprint Race (Athletics - 337 course) in Rock climbing. The event, conducted by Swami Vivekanand Mountaineering Institute, Mount Abu, took place from May 18 to May 24, 2023. Ttanmmay completed a 2.4-kilometer race in an impressive 9:50 minutes.
- Students of Dalmia Vidya Mandir, Chirawa, showcased their skills at the Hind India Taekwondo Championship, resulting in Miss Manvi Nehra winning a Gold Medal and Master Raghav Sultania securing a Silver Medal.
- Manasvi, a student at Dalmia Vidya Mandir, Chirawa, demonstrated exceptional skills and prowess in karate by clinching a gold medal in the prestigious Jhunjhuner District level karate championship on September 3, 2029. Additionally, the institution organized a plantation activity for Class 5 students, aiming to instill environmental consciousness and responsibility.
- Dalmia Vidya Mandir Chirawa had 28 students join the State-level scout guide camp at Tapobhoomi Vrindavan Bhadonda Kala, led by Baba Purshottam Maharaj, from September 19th to 23rd. The camp, with 300 participants, ended on September 23rd, acknowledging 50 outstanding scouts. They are now eligible for the state award camp in 9 months and the president's award in 1 year. Under the guidance of Sudhanshu Choudhary, the students received commendations for their outstanding performance during the camp.
- Master Jai Harish, a seventh-grade student at Dalmia Vidya Mandir in Dalmiapuram, secured the third position in the state-level open Karate championship. Congratulations on this exceptional achievement.

At Dalmia Vidya Mandir, we believe in preparing our students for life beyond academics. By integrating self-defense training, leadership programs, and physical education, we ensure they grow into strong, confident, and self-reliant individuals, ready to face any challenge that comes their way.

# Academics

## Dalmia Vidya Mandir's Commitment to the Right to Education (RTE)

Dalmia Vidya Mandir Schools uphold the **Right to Education (RTE) Act**, ensuring **free and compulsory education** for children, particularly those from disadvantaged backgrounds. This commitment is reflected in both policy and practice, leading to **national recognition** for excellence in RTE implementation.

### National-Level Recognition

- Winner in Education Excellence (RTE Category) – Dalmia Vidya Mandir has been awarded the top position at the national level, showcasing its effective execution of RTE provisions.
- Commitment to Inclusive Education – The schools actively ensure that children from all socio-economic backgrounds have access to quality education, fostering equity and social responsibility.

### Enrollment & Impact

A snapshot of RTE implementation across DVM Schools over the academic years:

- **Total students : 3,277**
- **EWS students : 813**

Dalmia Vidya Mandir remains committed to educational inclusivity, equal opportunities, and holistic development, ensuring that every child has access to quality learning experiences, regardless of background.

# Academic School Transformation

## Elevating Educational Excellence

At Dalmia Vidya Mandir Schools, our commitment to delivering high-quality education drives us to continuously innovate and refine our approach. To achieve this, we have meticulously designed and implemented the A+ School Transformation Plan—a structured, multi-dimensional strategy aimed at enhancing academic standards, operational efficiency, and student outcomes.

### A Strategic & Collaborative Approach

The A+ School Transformation Plan is built on the principles of shared responsibility, data-driven decision-making, and continuous improvement. This initiative focuses on:

- **Empowering Teams Beyond Leadership:** Responsibilities are distributed among team members, fostering a culture of collaborative leadership and accountability rather than relying solely on top-down directives.
- **Weekly Metrics for Vigilant Monitoring:** Key performance indicators (KPIs) are tracked through structured weekly progress reviews, ensuring timely interventions and course corrections.
- **Sustainable Systems with Documented Processes:** Every operational and academic practice is meticulously documented, creating a systematic, replicable model for long-term success.
- **Regular Classroom Inspections:** Continuous classroom monitoring and instructional audits help maintain teaching quality, engagement, and adherence to best practices.
- **Daily Stand-Up Sessions for Continuous Improvement:** Leadership-led stand-up meetings provide a platform for real-time problem-solving, feedback exchange, and alignment on goals, fostering an environment of agility and adaptability.

### For Implementation:

- Teachers will provide a list of students and the percentages of their test scores to date.
- Academic improvement of 65 percent for each child is the target, regardless of the subject.
- To Do, Doing, and Done sheets that should be posted on each staff's action board.
- Everyone must take standup time each day and participate in the principal's rounds and enrollment.
- The Principal will assess the teachers' weekly reviews and documentation, and students who require remedial instruction will be allocated to classes.
- In an academic setting with documented evidence of improvement, teachers will discuss their students' progress in groups with the parents.

### What results can you expect after using the 5 strategies?

So, what does it look like when a school fully commits to the five strategies described above?

- The improvement process becomes a system owned by everyone, not just a select few – and in the end, students have benefitted immensely.
- By embracing distributed responsibilities, weekly progress metrics, documented processes, regular leadership inspection, and daily feedback on goals for improvement, principals have empowered the entire school.

## A Commitment to Excellence

By embedding these transformative strategies into our school ecosystem, the Academic School Transformation Plan ensures that:

- Teaching methodologies evolve to meet modern educational demands
- Operational efficiencies drive seamless administration
- Students receive a well-rounded, high-quality learning experience
- Every stakeholder is actively engaged in the journey toward excellence

This initiative is more than a strategy—it's a movement toward a sustainable, progressive, and student-centric educational model.

**At Dalmia Vidya Mandir Schools, we don't just teach—we transform.**

# Educational Planning for AY 2024-25 at Dalmia Vidya Mandir

- **Comprehensive Curriculum** – Aligned with competitive exam patterns for effective learning.
- **Regular Assessments** – Mock tests and performance tracking to enhance preparation.
- **Personalized Mentorship** – Focused guidance to strengthen conceptual clarity and problem-solving skills.

Through this initiative, **Dalmia Vidya Mandir ensures students receive the right academic support, equipping them with the skills and confidence to excel in their chosen careers.**

# Implementation of National Education Policy (NEP) 2020 at Dalmia Vidya Mandir Schools

Dalmia Vidya Mandir Schools are actively implementing and monitoring the **National Education Policy (NEP) 2020**, ensuring a **progressive, holistic, and technology-integrated** approach to education.

## Key Initiatives Aligned with NEP 2020

### 1. Curriculum Development

1. The **Bharat Gaurav Yatra Curriculum** for the **2025-26 session** integrates **Indian values, culture, and heritage**, reinforcing NEP 2020's emphasis on **experiential learning** and **national pride**.

### 2. Holistic Student Development

1. A well-rounded education approach is promoted through **sports, arts, and cultural programs**, ensuring students receive a **balanced mix of academic and extracurricular learning**.

### 3. Teacher Training & Professional Development

1. Regular **faculty workshops and training programs** enhance **teaching methodologies**, ensuring **continuous skill enhancement** in line with NEP 2020.
2. A **Faculty Development Program (FDP) on NEP 2020** ensures educators **stay updated on policy implementation**.

### 4. Technology-Integrated Learning

1. The **renewal and approval of Smart Class & LEAD Curriculum** supports the **use of digital tools**, fostering an **interactive and modern learning environment**.

### 5. Promotion of Indian Languages

1. The **Sanskrit Oral Learning Curriculum** strengthens **language proficiency** and aligns with NEP 2020's goal of **preserving and promoting Indian languages**.

Through these structured implementations, Dalmia Vidya Mandir Schools are ensuring that **NEP 2020 transforms learning experiences, enhances educational quality, and prepares students for a dynamic future**.

# Implementation of National Curriculum Framework (NCF) at Dalmia Vidya Mandir Schools

Dalmia Vidya Mandir Schools are dedicated to enhancing the learning experience by implementing the National Curriculum Framework for School Education (NCF-SE) and the National Curriculum Framework for Foundational Stage (NCF-FS).

## **NCF-SE (School Education)**

- Competency-Based Learning – Focuses on skill development over rote memorization.
- Holistic Assessments – Encourages conceptual understanding and real-world application.
- Multidisciplinary Integration – Subjects are interlinked for better comprehension and practical learning.

## **NCF-FS (Foundational Stage)**

- Play-Based Learning – Encourages experiential and activity-based education for early learners.
- Core Skill Development – Strengthens language, numeracy, and socio-emotional skills.
- Child-Centric Curriculum – Ensures age-appropriate learning aligned with cognitive development.

By adopting NCF-SE and NCF-FS, Dalmia Vidya Mandir Schools are fostering an inclusive, innovative, and future-ready education system, preparing students to excel academically and beyond.

# Dalmia Admission Cum Scholarship Test (DSAT) at DVM Chirawa

Dalmia Vidya Mandir, Chirawa, successfully conducted its **first-ever Admission cum Scholarship Test (DSAT) on April 14, 2024**. This initiative plays a crucial role in the **admission process** and in **identifying meritorious students** for scholarships.

## Key Objectives of DSAT

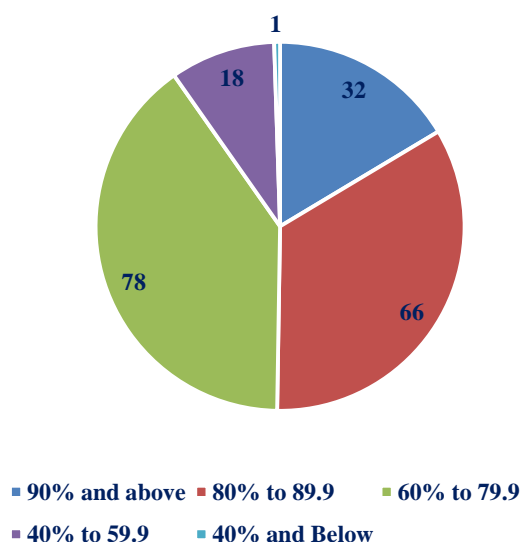

- **Merit-Based Selection** – Identifies academically strong candidates for **admission and scholarships**.
- **Encouraging Excellence** – Recognizes and rewards students demonstrating **exceptional academic performance**.
- **Commitment to Quality Education** – Ensures that **bright and deserving minds** receive the opportunity to excel.

Through **DSAT**, Dalmia Vidya Mandir strengthens its mission of **empowering students** and fostering a culture of **academic achievement and holistic development**.

# Commitment to Quality Education – SQAA at Dalmia Vidya Mandir

India remains steadfast in its commitment to achieving the Sustainable Development Goals (SDGs) 2030, with a strong emphasis on enhancing the quality of education. In alignment with this vision, the Central Board of Secondary Education (CBSE) has introduced the School Quality Assessment and Assurance (SQAA) framework, a meticulously designed system that ensures the efficient monitoring of predetermined outcomes across all aspects of school education.

Renowned for its transparency, feasibility, objectivity, credibility, and acceptability, SQAA plays a transformative role in elevating educational standards nationwide. At Dalmia Vidya Mandir, we have wholeheartedly embraced this framework, conducting regular evaluations to ensure our institutions meet and exceed CBSE’s latest guidelines. To maintain high standards and drive continuous improvement, monthly reports are submitted by all school heads, assessing every aspect of school operations across clearly defined domains. This structured approach enables our schools to remain dynamic, progressive, and aligned with the evolving educational landscape.

## Objectives

Through rigorous monitoring, structured assessments, and a commitment to excellence, Dalmia Vidya Mandir continues to uphold the highest educational standards, preparing students to become future-ready leaders and responsible global citizens.

# Infrastructure Standardization

Dalmia Vidya Mandir Schools understand that a safe, modern, and well-maintained infrastructure plays a crucial role in creating a conducive and effective learning environment for students. Therefore, the schools are committed to infrastructure standardization and continuous improvement, ensuring that their facilities support the educational needs of their students and provide a positive and inspiring setting for learning. This commitment to infrastructure standardization involves a proactive approach to ongoing improvements, encompassing various aspects of the school facilities. The schools focus on upgrading existing facilities and resources, ensuring that classrooms, laboratories, libraries, and other learning spaces are equipped with the latest technology and resources to support effective teaching and learning. They also prioritize maintaining a safe and well-equipped campus, recognizing the importance of providing a secure and healthy environment where students can thrive. This includes ensuring proper maintenance of buildings, grounds, and equipment, as well as implementing safety protocols and procedures to protect the well-being of students and staff. Furthermore, the schools engage in planning for future expansion and development, anticipating the growing needs of their student population and ensuring that their facilities can accommodate future growth and innovation. This forward-thinking approach demonstrates their commitment to providing a long-term vision for the development of their school infrastructure.
