

About Us

Dalmia Vidya Mandir stands as a beacon of educational brilliance, offering a co-educational English medium curriculum that emphasizes value-based education, ensuring equitable access to knowledge for all children.

Throughout the years, our institution has evolved significantly, expanding not only in physical dimensions but also in infrastructure and qualitative output. With unwavering dedication, we have established branches at five diverse locations, spreading the wings of education far and wide.

Our mission transcends mere academic pursuits; we aim to provide a holistic learning environment that nurtures the comprehensive development of young minds. To achieve this, we employ innovative and interactive teaching methods, coupled with tailor-made tools and cutting-edge equipment. Our commitment is to furnish our young wards with an enriching environment that goes beyond conventional education, fostering their growth into well-rounded individuals prepared for the challenges of the future.

Mission:

- ✓ To stimulate and nurture young minds which strive for excellence through active learning.
- ✓ To enable children to become thoughtful, sensitive and respectful global citizens with a progressive outlook.

- ✓ To provide accessible, affordable and contemporary education for harmonious development of mind, body and soul with a deep-rooted value system.

Vision

Objective

- ✓ Foster a spirit of enquiry and scientific wisdom.
- ✓ Inculcate healthy and positive ways of living and care of environment.
- ✓ Help children develop strong ethical values.
- ✓ Partner with parents in holistic development of their child.
- ✓ Enable children to contribute meaningfully to the society at large.
- ✓ Bring out the unique talents in every child.

Philosophy

- ✓ The children of this school system will be provided with the best educational opportunities.
- ✓ The School will attempt to provide the best education possible with the available human, financial and material resource capital.
- ✓ The community will be encouraged to provide input and support for the School in any way possible.

Message from CEO's Desk

At Dalmia Vidya Mandir Schools, our expansion initiative revolves around sustainability and holistic education. We prioritize creating environmentally friendly and energy-efficient schools to instill sustainable values in our students. STEM education is at the forefront, equipping our students with essential skills for the digital era. By expanding into rural areas, we extend quality education to underserved communities, bridging the urban-rural education gap and ensuring equal opportunities for all children. Additionally, we promote art, creativity, and sports to foster well-rounded development.

Moreover, inclusivity is paramount to us. We expand schools to cater to special needs students, investing in specialized infrastructure and trained staff to create a supportive learning environment for every child. Our focus on vocational and skill-based education prepares students for the workforce, providing hands-on training and exposure to real-world scenarios. By integrating digital technology into learning and celebrating multicultural diversity, we ensure our students are equipped with essential skills and cultural understanding. Lastly, our emphasis on early childhood education lays a strong foundation for lifelong learning, nurturing a love for learning from an early age. Through these diverse initiatives, we aspire to build a national brand synonymous with quality education and a brighter future for all students, contributing to the nation's progress and development.

Jai Hind!

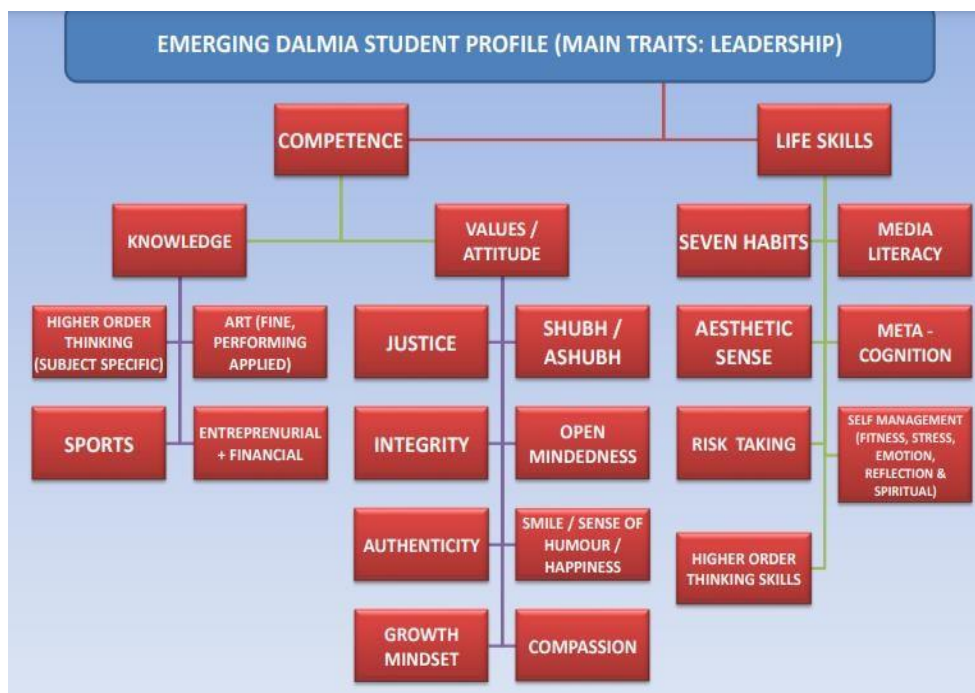

Dr. Rosetta Williams
Chief Education Officer.
Head- Education Vertical, Pan India.
Dalmia Vidya Mandir Schools

Key Pillars

Dalmia Core Promises

Dalmia Core Promises is a program dedicated to instilling moral values and leadership qualities in students. It aims to broaden perspectives, encourage facing challenges, and empower students with life skills. The initiative fosters self-sufficiency, prioritization of objectives, and a creative mindset, preparing students as resilient, ethical leaders for the future.

Academic Transformation

In our dedicated effort to elevate the quality of education across all our institutions, we introduced a comprehensive A+ School transformation plan. This strategic initiative aimed to bring about significant improvements through a multifaceted approach. Here are the key components of the plan:

- ✓ Team-Based Leadership
- ✓ Weekly Progress Metrics
- ✓ Establishing Sustainable Systems
- ✓ Regular Classroom Inspections
- ✓ Daily Stand-Ups for Continuous Improvement

Through the implementation of this comprehensive transformation plan, our commitment to educational excellence is not just a static objective but an ongoing journey. We believe that by embracing these strategic initiatives, we can provide a dynamic and enriching learning environment for our students, nurturing their growth and success.

National School of Open Learning (NIOS)

Dalmia Vidya Mandir, has taken a significant step towards inclusive education by collaborating with the National Institute of Open Schooling (NIOS). This collaboration aims to establish NIOS study centres within the premises of Dalmia Vidya Mandir schools, with the primary objective of providing education to students who are unable to attend regular schooling.

By setting up NIOS study centres, Dalmia Vidya Mandir aims to ensure that every child has access to quality education, regardless of their circumstances.

Following schools are implementing NIOS centres.

- Dalmia Vidya Mandir, Chirawa
- Dalmia Vidya Mandir, Dalmiapuram
- Dalmia Vidya Mandir, Rajgangpur

Bharat Gaurav Yatra

With the steadfast support and visionary guidance of our esteemed leaders, Dalmia Vidya Mandir Schools proudly unveil their latest venture, the "BHARAT GAURAV YATRA CURRICULUM." This innovative initiative is meticulously crafted to instill a profound sense of patriotism and nationalism among both our dedicated educators and enthusiastic students. The launch ceremony, a moment of immense pride, witnessed the presence of the Dalmia Family members and stakeholders, who actively participated through a live session platform.

The BHARAT GAURAV YATRA curriculum is thoughtfully structured across four educational tiers:

1. Pre-primary Level: Nursery, LKG, UKG, Grade I, and Grade II.
2. Primary Level: Grades III-V.
3. Middle School Level: Grades VI-VIII.
4. Senior Level: Grades IX-XI.

This comprehensive curriculum is categorized into various enlightening segments:

1. Spiritual Heritage
2. National Emblem
3. Indian Inventors and Scientists
4. Indian Freedom Struggle
5. Indian Social Reformer
6. Indian Heritage - Building, Art, Culture
7. Indian State Major Influencers Through the Ages
8. Indian Ancient Heritage
9. Indian Fame

This curriculum serves as a powerful tool for nurturing a deep connection with our nation's history, values, and cultural richness. By fostering a profound understanding of these aspects, it aspires to create well-rounded individuals who carry the spirit of Bharat Gaurav within them.

School Quality Assessment Assurance (SQAA)

India has enthusiastically embraced the Sustainable Development Goals 2030, with a specific focus on elevating the quality of education. Recognizing the crucial importance of enhancing the standard of school education nationwide to attain global excellence, the Central Board of Secondary Education (CBSE) has introduced a comprehensive framework known as 'School Quality Assessment and Assurance' (SQAA). This framework is designed to systematically monitor predetermined outcomes at all levels and in all facets of school education. The SQAA is crafted to be easily implementable, feasible, transparent, objective, and possesses a certain level of credibility and acceptability.

- Scholastic Processes
- Co-Scholastic Processes
- Infrastructure - Adequacy, Functionality, Aesthetics and Safety
- Human Resources
- Inclusive Practices
- Management and Governance
- Leadership
- Beneficiary Satisfaction

National Curriculum Framework

Framework

National Curriculum Framework for Secondary Education (NCFSE):

The NCFSE is a comprehensive guideline designed to shape the education system for students in grades 9 to 12. It aims to provide a holistic and balanced education that goes beyond academic knowledge and focuses on the overall development of students. The framework emphasizes the integration of various subjects, fostering critical thinking, creativity, and practical skills among students.

Key aspects of NCFSE may include:

- ✓ Holistic Development
- ✓ Skill Enhancement
- ✓ Inclusive Education
- ✓ Technology Integration

National Curriculum Framework for Foundational Stage (NCFFS):

The NCFFS is specifically designed for the foundational stage of education, encompassing early childhood education, preschool, and the initial years of formal schooling. This framework acknowledges the critical importance of these formative years in shaping a child's overall development.

Key features of NCFFS may include:

- Play-Based Learning
- Developmental Milestones
- Language and Literacy
- Inclusive Practices
- Teacher Training

Both NCFSE and NCFFS are instrumental in shaping the overall educational experience in India, aiming to create a learning environment that prepares students for the challenges of the 21st century. It's important to stay updated with any revisions or changes in these frameworks as education policies may evolve over time.

Structured Assessment For Analyzing Learning (SAFAL)

SAFAL (Structured Assessment for Analyzing Learning) is a competency-based assessment program by the CBSE for grades 3, 5, and 8. It aims to evaluate core concepts, application of knowledge, and higher-order thinking skills, aligning with the National Education Policy (NEP) 2020. Our CBSE-affiliated schools—Dalmia Vidya Mandir in Rajgangpur, Chirawa, and Dalmiapuram—are implementing SAFAL guidelines. Dalmia Vidya Mandir, Rajgangpur, served as a pilot school for SAFAL in the 2023-24 session.

STEM (Science, Technology, Engineering, and Mathematics)

STEM (Science, Technology, Engineering, and Mathematics) represents an interdisciplinary approach to learning and problem-solving. At Dalmia Vidya Mandir schools, STEM integration is key to the curriculum, involving hands-on activities, projects, and experiments that develop critical thinking, problem-solving, and analytical skills through real-world applications. Teachers use innovative methods and digital tools to enhance learning and encourage exploration beyond the classroom. Additionally, the schools host STEM-focused events, workshops, and competitions to nurture students' interest and proficiency in STEM fields.

Green School

We are deeply committed to advancing eco-friendly initiatives on their campuses, actively promoting environmental sustainability. Standout projects include Horticulture and Vertical Wall, Earthen Pot Cooler, and Solar Panels. Students actively participate in tree plantation and care, contributing significantly to the school's green environment.
